Dear Sir:

You may have read in recent issues of the Daily of the forthcoming visit of Dr. Walter M. Kotschnig, General Secretary of International Student Service. The Students' Executive Council has undertaken to sponsor his meetings.

On Friday afternoon Dr. Kotschnig will address the student body upon Student Conditions in Europe. This meeting will be held in the Reading Room of the Union at 5 o'clock.

At the request of the committee he will give an informal talk on Saturday to a small selected group of professors and students upon the subject of The New University, which idea is receiving most serious consideration in Europe.

On behalf of the committee I have much pleasure in inviting you to meet and hear Dr. Kotschnig on that occasion, as we feel that you will be interested in his talk and discussion which will follow.

The meeting will be held in the Residents' Common Room of Strathcona Hall on Saturday night at 8:15.

Cordially yours,

W. A. Barclay

For the Committee.
