

THE OLD BREWERY BAY

ORILLIA,

raise hell in Canadian economics  
during the short time left to use...

From the lists Hemmison sends  
me I see that all the winners  
of graduate scholarships in economics  
in M.S.I.I. are Jews, except one,  
who is a Jewess. . . . This is  
a serious drawback: They are  
clever fellows & excellent students  
but we can't get jobs for them  
because the railways, banks &  
commercial houses don't want  
them. . . My book on The Economic  
Integration of the British Empire will  
be out in a fortnight and I will
