

Pulte's Domestic Physician.

Homeopathic Domestic Physician, containing the Treatment of Diseases, with popular explanations of Anatomy, Physiology, Hygiene and Hydropathy; also an abridged Materia Medica. By J. H. PULTE, M. D. Sixth Edition. Enlarged with special Hydropathic Directions, and illustrated with Anatomical Plates. Twenty-first Thousand. One volume royal 12mo., half morocco. Price, \$1 50.

For home practice this work is recommended as superior to all others, by Dr. Van-derburgh, of New York, Dr. Hull and Dr. Rossman, of Brooklyn, Dr. Granger, of St. Louis, and others of equal celebrity in different portions of the country.

• It is very comprehensive and very explicit.—N. Y. Evangelist.

A very lucid and useful hand-book. Its popular language and exclusion of difficult terminology, are decided recommendations. Its success is good evidence of the value of the work.—N. Y. Times.

This appears to be a very successful publication. It has now reached its sixth edition, which is a revised and enlarged one; and we learn from the title page, that twenty-one thousand copies have been published. Various additions have been made to the Homeopathic directions, and the anatomical part of the work has been illustrated with engravings. The work has received the approbation of several of our most eminent practitioners.—Evening Post.

Pulte's Woman's Guide.

Woman's Medical Guide; containing Essays on the Physical, Moral and Educational development of Females, and the Homeopathic Treatment of their Diseases in all periods of Life, together with directions for the remedial use of Water and Gymnastics. By J. H. PULTE, Professor of Obstetrics and Diseases of Women and Children, Emeritus Professor of Clinical Medicine in the Western College of Homeopathy, author of "Homeopathic Domestic Physician," etc. One volume 12mo., muslin. Price, \$1 00.

From Dr. Joslin, one of the most distinguished Homeopathic physicians in the country:

New York, May 26, 1866.

Messrs. Moore, Wilstach, Keys & Co.:

GENTLEMEN:—Woman's Guide, by Dr. Pulte, beautifully and correctly depicts her physical and moral development in the different stages and relations of life, and is replete with excellent directions for the management of herself and offspring. The book is highly creditable to its author, as a scholar, a philosopher and a Christian, and is better calculated than any other, on the same subjects and within the same compass, to remove many false notions and pernicious practices which prevail in society.

Respectfully yours,

B. F. JOSLIN.

The style is beautiful and simple, the language appropriate, and the subject, intricate and delicate though it is, made clear to the comprehension, carrying conviction to the reader of the truthfulness of the author's remarks, and the necessity of living according to his advice. We have never met with anything of the kind so complete, and so admirably arranged.—Daily Times.

As a contribution to popular hygiene, it may be ranked among the most judicious and instructive works on the subject that have yet been given to the public. The delicate topics of which it treats are discussed with great propriety of sentiment and language, while the copious information with which it abounds is adapted to lead to the formation of correct and salutary habits.—N. Y. Tribune.

It is a careful and judicious work, worthy of explicit attention, and mothers, whether of the Homeopathic faith or not, will find it to their advantage to acquaint themselves with Dr. Pulte's hints.—Columbian.
