RUGBY STALWARTS DOWN TO WORK FOR SATURDAY'S UNION GAMES

Keeping Tab on the Trip From Hamilton to Ottawa and Return—School Boys Play the Game—Rugby Notes and Gossip.

In the opening game yesterday of the new High School Rugby League, Jarvis defeated Humberside by the score of 20 to 5. The J.C.I. boys had far better condition and team play, hence the large score. The winners lined up as follows: Halves, Muirhead, Urquhart, Burns; flying wing, Brodie; quarter, Nevitt; scrum, Mage, Houston, Mackenzie and G. Brown; wings, Samuel, Sagar, N. Brown, Dymond, Prendergast, Borosok.

Becker will come in handy for that Buffalo-Alert game Saturday. The Buffalo coach has been in Hamilton for a week, coaching the Alerts in the fine points of the American game. Fisher was also here to Hamilton, as his father sent him a telegram yesterday, and he is expected home today.

Johnny McKelvey will hardly line up with the Tigers Saturday. Eddie Smith will fill the gap.

McGill whitewashed M.A.A.A. in a practice game, 18 to 0.

All roads will lead to Rosedale on Saturday, when the Big Four season will open in Toronto between Argos and Montreal.

If the paddlers were to turn the trick on T.R. & A.A. Saturday there would be a good many surprised fans who would wonder their way home. Instead of being practicing assiduously, and they have just reached the point where a little polishing off is all that is needed. Coach Corry has that line working overtime, and every man looks to be in the pink of condition. Galt and the men are easily the pick of the back division, and with these two leading the attack the Toronto will have no chance.

Argonauts held another hard workout last night, and the players are rapidly reaching the high level stage. Instead of winded men finishing up the practices, most of them are now feeling fit at the end, and they will not lack spirit when they tackle the winged wheelers Saturday. Jack O'Connor is looking nicely well. Leckie and Ginter are certainly slugging the picknick, and if they keep booting that way the passengers will have a sad tale to tell. It would be a good idea to get the passengers' numbers right now for the program.

Varsity returned to real hard work yesterday afternoon when Capt. Maynard lined the seniors up against the seconds. All the boys enjoyed the milking, and there was considerable finger displayed in getting the ball out. Mackenzie, Gage and Carr did the booting last night, and the line was given lots of work trying to cover the seconds. There are several positions on the line that are trying for them never let an opportunity get by. They will leave Friday night for Kingston, where they play R.M.C. on Saturday afternoon the first game of the season.

Ice and Riverdale will play an intermediate City League game Saturday afternoon on the Don Flats at 2 o'clock.

Off Agin, Home Agin, Gone Agin Becker. That seems to be the latest state of affairs in Ottawa's Rugby. After casting covetous eyes on the great Alert kicking halfback, they finally persuaded him to make Bytown his home by adding a nice little job.

In the printing department on Parliament Hill all went well for the first two days, and he started for the red, black and white against Montreal. On returning to work on Monday morning, he found, much to his disgust, that he had to work just the same as he had to when he fed a press at The Herald in Hamilton. The yearning of his nature called for something that was not so plebeian-like, and he promptly packed his grip yesterday home. While he was returning home, Red Fisher, another Alert, had heard the call of the Ottawa, and had started for there. The climax of the whole thing will most likely be an investigation by the Big Four officials.

Balmby Beach Rugby teams practise tonight at Scarborough Beach, and the following Intermediate and City League players are requested to be on hand not later than 6:15: E. Corcoran, T. Bernes, Sid Cochran, R. Grant, Spicer, Trebilcock, Cusner, Jackson, J. Whalen, F.

An Ottawa despatch says: Mr. Walter Curran, acting on behalf of a number of Toronto men, has arranged a game for Thanksgiving Day, October 30, between the Carlisle Indians and the local amateur club. The game will be played under the Canadian rules at Scarborough Beach. The Ottawa fourteen, remaining over in Toronto from the Saturday preceding for the game with the Indians. At the same time it was also arranged that the local club would play a return game with Carlisle at New York on November 20. In order to once again demonstrate Canadian rugby to the American rugby men. The game at Toronto, while handled by private parties, will be in the nature of a public affair. The former president of the Canadian Rugby Football Union, who has been in poor health for some time past, Mr. Curran completed all arrangements for the combines to put in an appearance last night, and he has already been in consultation with the Carlisle Indians and signed up their team for the game. Last season the Indians walked thru the Varsity Old Boys team, playing under the American rules, but it was not as one-sided as the game in which the Carlisle team participated last fall.

CHEAPEN PUBLIC SUPPLY OF FOOD
Various Plans Have Been Presented to Reduce Living in Cities.

Some experiments to cheapen the public food supply have been put into operation in three widely-separated cities, says The American Political Science Review. About a year ago the municipal administration of Berlin began the sale of fresh food at the public market halls. The experiment proved such a success that municipal fish stands were later established in seven different markets in Berlin proper, while some of the municipalities of Greater Berlin have followed its example.

The fish is sold twice a week at official prices advertised on the municipal advertising the day before the sale, and the saving to consumers is about 1.1 cent for each pound of fish bought.

Plans have been presented to the chambers to establish in Montevideo a public stock yard and slaughter house, and in the smaller cities of Uruguay is other public slaughter houses. Their cost, some \$1,012,000, is to be recovered from the proceeds of fees for cattle brands and marks. This proposal comes from the result of a special investigation of slaughter houses in Europe and the United States, made by Dr. Buzas, chief of the bureau of animal sanitation. The third city is Budapest, Hungary, where the sum of \$100,000 in municipal shops selling meats, poultry and dairy products at a small profit on the cost of the goods, and a municipal bakery, which produces more than 18 per cent of the city's total daily bread consumption.

A company has been formed in Budapest for the importation of fresh meat from Roumania and Servia.

PANDORINA WINS BY A HUNDRED LENGTHS

Mrs. Livingstone Again Lands Rich Endurance Stake at Louisville—Four Start.

LOUISVILLE, Oct. 7.—Pandorina, the three-year-old filly, owned by Mrs. L. A. Livingstone of Cobourg, Ont., today won the four-mile Kentucky Endurance Stake on Churchill Downs, course 7.21 1-5. Flora Fina was second and Prince Eugene third. Flora Fina, after making up a quarter of a mile in the last mile, dropped 50 feet beyond the finish. Pandorina, ridden by Jockey Green, took the lead from Prince Eugene in the third mile and finished nearly 100 lengths ahead of Flora Fina. The estimated value of the Endurance Stake is \$15,000, of which the winner takes \$10,000, the second \$2,500 and the third \$2,500. In addition to the winner's portion of this cash stake, Mrs. Livingstone received a gold cup valued at \$1000.

Mrs. Livingstone for the second time saw her colors carried to the victory in the great endurance race, her five-year-old Sotemia having won the race last year in the world's record time of 7:10 2-5. The feature of the race today was the remarkable fight for second place made by Jockey Loftus on J. W. Johnson's Flora Fina in the final stretch. Harry Payne Whitney's Prince Eugene, favorite, and pacemaker for the first two miles, was beaten for the place by four lengths, but just beyond the wire Flora Fina went to her knees and collapsed. It was the greatest display of gameness ever witnessed at historic Churchill Downs. After ten minutes Flora Fina recovered sufficiently to be returned to her stable, probably having faced the barrier for the last time.

There were four starters. Beautiful, a four-year-old black filly, owned by T. W. Flynn, being a quarter of a mile back at the finish.

Two-dollar mutuels paid: Pandorina, straight \$6.80, place \$3.50; Flora Fina, \$4.70, \$2.50, \$1.80; Prince Eugene, \$3.50, \$2.00, \$1.50. New track return: Hawthorne also ran.

ATHLETICS ARRIVE FOR THIRD CONTEST

NEW YORK, Oct. 8.—Manager Mack and his Athletics arrived here several hours after the Giants got in. They were accompanied by about seventy-five Philadelphia followers. Mack, when asked whom he would select to pitch tomorrow, with Bender and Plank not available, replied with a smile, "I still have others." The team is in good condition, he said. There is no day of rest, which the weather forecasts indicated might be forced upon the players by rain tomorrow.

MINERS' BIG LOSS THRU SHUTDOWNS

That the coal miners of Illinois are probably better organized than those of any other bituminous coal-mining state is stated by Edward W. Parker, coal statistician of the United States Geological Survey. One result of this has been the establishment of the eight-hour day. But the Illinois miners' shutdown has resulted in long periods of idleness and loss of income, both to operators and employees. In practically all the important mines were shut down, and 43,700 men out of a total of 61,685 were idle an average of 58 days each. This was equivalent to an average of 48 days of idleness for each of the 61,685 employees and was equal to 25 per cent of the total time made.

In 1906 the suspension was not so long.
