S-H-H, Spirits.
My Love Was Like a Lily.
To Miss Canada.
Etc., Etc.

We claim for the original edition of this work a circulation in the Eastern Provinces, second only to the Holy Bible.

We also claim that it is the only Book published of the late war that the public demanded a second edition of. And we take this opportunity of thanking the Public in general who supported us so generously from the time the first edition appeared until it was exhausted.
