SIMPSON'S FRIDAY BARGAINS

Rents Are High in Toronto

What has that got to do with Simpson's Friday Bargains? If rents were not high there would be no bargains. This store occupies rather a unique position from a business point of view. Every cubic inch has its value. We can't afford to turn our valuable space into free sleeping accommodation, not even for a veritable sleeping beauty. So that anything that is likely to rest here too long wakes up a bargain, hence these "beauties" for to-morrow's shoppers.
