JUST A ROMP FOR AURALEE JUNIORS

Defeat Maitlands by Five Goals in Opening O.H.A. Fixture

The O.H.A. hockey season was officially opened last evening when Aura Lee and Maitlands staged a junior game before a small crowd at the Arena. The Aura Lee team turned in a finished article and won handsily, 5 to 3.

Maitlands were expected to put up sturdy opposition after their good fight in the S.P.A. Cup series. The north end youngsters threw team-play to the winds and were left behind by the clever Aura Lee team. Maitlands were nearly as much speed as they were skill, and failed to get going with long-range shooting.

Little Ross, on the Maitland defence, was the best player on the field, and his rushes roused the spectators to cheers. He is a game little lad, and with help would have given Aura Lee a battle.

Aura Lee are fast rounding into that good combination that carried them far in former years. Their passing last night was pretty and they have the back-checking down to a science. Rodden, Burch and Wright played well, and Rodden did some useful rushing. Devitt is developing into a very draggy affair, with Maitlands not showing the least sign of team play. Aura Lee won in four goals here, and Maitlands were held scoreless.

Maitlands got the first two goals of the second round, and fifteen things up with several attacks. Aura Lee were hardly able to stand, but two were all the Maitlands could get. Rodden grabbed one for Aura Lee, and the score stood 3 to 2 after four minutes of play. The boys bumped hard in the final round. A little bit of bad feeling crept up, but Referee Hewittson never let them away.

There was evidently some newcomers to the hockey game at the Arena last night. They so far forgot themselves as to cheer when Aura Lee scored. Aura Lee was forced to take the court when hit on the head by a hard shot from Maitlands (3).

Saturday night's senior game at the Arena has the fans upon their feet. Ritchie and Allan Cox holders, a stirring contest. The Irish team will be a strong one, and the Saints will not only have to have the best of team play but will have to have the best of team play to get a verdict over the smooth-working Kitchener machine.

Kitchener were easily the best-dressed outfit in the amateur ranks of the Northern Hockey League. The players of both teams had their first workout while the officers were being elected. The officers are: President, Dr. Mair; vice-president, J. Beatty; treasurer, Dr. R. Scott; secretary, W. W. Hill; executive, W. H. Hearn; Wm. Lustig, B. McMahon, E. J. Coban; publicity, David G. Leitch; manager, seniors, D. G. Scott; manager, juniors, E. J. Coban.

The Athenaeum Hockey Club of the Senior Toronto Bees League will play an exhibition game in Woodbine on Friday night, with Billy Breen of O. A. H. juniors.

Listowel, Jan. 1.—Thirty-one teams were grouped in the senior and junior series of the Northern Hockey League this afternoon by the executive committee composed of Secretary B. Bamford, Treasurer McGuire and Vice-President W. Rhodes. Nineteen senior teams and twelve junior teams comprise the organization, being grouped as follows:

Group No. 1—Durham, Hanover, Chesley, Conover, W. Lustig, meet at Chesley.

Group No. 2—Wingham, Listowel, Lucknow, Conover, R. N. Currie, meet at Wingham.

Group No. 3—Clinton, Seaford, Stratford, Conover, H. Denroche, meet at Stratford.

Group No. 4—Southampton, Port Elgin, Conover, W. J. McEllan, meet at Southampton.

Group No. 5—Glencoe, Thamesville, Sarnia, Conover, H. Davidson, meet at Glencoe.

Group No. 6—London, Tillamook, Conover, W. H. Rhodes, meet at London.

Group No. 7—Niagara Falls, Elmira and Owen Sound byes.

Group No. 8—Mt. Forest, Harrison, Durham, Wingham, Conover, Dr. H. B. Coleman, meet at Palameter.

Group No. 9—Stratford, Mitchell, Milverton, Conover, H. Denroche, meet at Stratford.

Group No. 10—Chesley, Owen Sound, Conover, W. Lustig, meet at Chesley.

Group No. 11—Sarnia and London. Conover, W. H. Rhodes, meet at Sarnia.

Returned soldiers can play with any team in the group series, but in order to qualify for second-round games between group winners he must have played in at least one game in the group series. In the case of a player returning from overseas after the group winners are declared, he can play only with the club in the town where he resided during the war.

Charged after October 1. Players still in the service can play where they are stationed or with his home-town club. The Northern League does not allow substitute players, and teams will be composed of six players, the duration of the game to be three 20-minute periods, with two ten-minute rest periods.

The group schedules not later than Tuesday, January 7, and group winners are to be decided not later than Monday, February 4.

A lack of efficient hockey is a serious handicap to the development of the game in this section. The shortage of players in this section has come to the conclusion that the hockey games can be handled capably by officials in the west, without the expense of long railway trips and high fees which come as a result of having to travel to the east for contests.

Referee Munro of London was developed in the west, and there are plenty of good players in the west. The opportunity and proper encouragement, would make good, Munro has become one of the best officials in Ontario, and the first scheduled O. H. A. game finds him the unanimous choice for the Toronto Veterans game at Hamilton Friday night. Home clubs in the west should give every consideration to talent in their own groups, with the hope of uncovering good men.

TENDLER BEATS KANSAS.
Buffalo, Jan. 1.—Left Tandler, the Philadelphia lightweight, slightly outpointed Rocky Kansas, the Buffalo champion, here today in an eight-round bout. Both were under 133 pounds.

Swedish Athletes Invited Across Sea

New York, Jan. 1.—The first international athletic contests in America since 1914 may eventuate within the next few months as the result of a formal invitation which has been extended to the Swedish Athletic Association to send a team to this country to compete in coming indoor games.

Among the Swedish athletes tentatively named for the proposed trip are: Magnus Johansson, Backman, and Eklund. All are noted performers in their respective events.

The invitation is a return of the compliment extended to the A. A. U. indoor championships.

Up at the Queen City Club, a stubborn fight resulted after the three draws had been played. President E. H. Brower had a majority of five shots over Vice-President Dr. Morden. The scores:
