New Spring Silks and
Dress FabricsThat Jubilantly Express the Spirit of Peace,
Victory and the Coming Colorful Season

It will repay you—for you will obtain the most beautiful and fashionable weaves of the season—in high-grade qualities—at prices as low as good quality is obtainable for anywhere.

So different—so exquisite to feel and to see—so altogether lovely are these fabrics that description is impossible. Here are a few of the new notes:

Peau de Peche, an exclusive French fabric for coats and cloaks—its velvety finish denoted by its name.

Unique conventional designs of surpassing beauty, largely used on silks, and very effective.
