Keeping the Used Car Business Clean

HAVE NO DESIRE whatever to be engaged in any business that can be classed as "crooked," "slippery." or However, Return to "tricky." WITH THIS always in view, I have set a standard for myself which I am obliged to "live up to" in order to make myself keep "straight."

FIRST-I advertise that "all statements elsewhere in Canada practically at an made in my advertisements are the truth, without qualification." end. Vancouver strikers voted five to THIS MEANS that I do not advertise any cars that I have not in stock as strike, at a meeting at which 4453 per-

the paper goes to press.

DO NOT represent cars as overhauled, or, rather, as having received mechanical attention, unless I can show you bona fide work orders and bills, showing parts supplied on each particular

Vancouver. June 29.—The street REFUSE to sell used cars and trucks other than "as is." or "as shown and demonstrated." unless I can show hills and work orders, as mentioned above, I OFFER \$5.00 (five dollars) to any independent mechanic that you care to bring to examine car if he can point out any fault with any car or truck that I offer for sale that I do not tell you about while talking sale.

I DO NOT use any superlative adjectives in advertising my stock.

Wee-end in favor of returning to work. A majority of 45 votes were cast for a "walk-in," and street cars will be running again Monday morning, it is understood.

The Metal Trades Council decided until settiement of the present dispute has been reached. It was also decided that on account of their action in affiliating with the "one big union" the

I INSIST that galesmen have the moral courage to tell the truth about my stock, and lose sales, if necessary, in

HAVE no "gold nuggets" to sell for little money; neither have any of the used cars I sell "diamonds" in the hubs, WHAT'S THE USE of trying to kid the motoring public that cars purchased and resold at the curb, or within an hour or so after I purchased them, are "overhauled"? WHAT'S THE USE of advertising a cer-

tain number of cars and trucks on hand for you to come and give me "the laugh" if I cannot produce them or show bona fide orders for prior sale?

W. Henderson who goes to St. Thomas, and to Rev. J. E. Peters who goes to Bartonville. The association electshow bona fide orders for prior sale?

HAVE NO WINGS sprouting, but I will tell you the truth, and take my chances on getting business.

Bartonville. The association elected the following officers; president, tell you the truth, and take my chances on getting business.

Rev. S. E. Marshall, Methodist; vice-president, Rev. J. W. Gordon, Pres-A USED CAR is a used car-Call it what

largest one ever seen in this city. The seen in this city. The seen in the construction of the above building. All tenders to be based on the manufacture, supply, delivery, and laying complete, of the "Rubber Flooring" shown and described by the Plans and Specific action.

The work of this contract shall be proceeded with immediately upon the signing of the same, and continued as may be directed and in such a manner as to ensure completion of the whole work by October 31, 1919.

Plans, specifications, and any other information required can be obtained at the office of the General Contractors, P. Lyali & Sons Construction Company, Limited, Ottawa.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Minister of Public Works, for a sum not less than five per cent. (5 p.c.) of the amount of the tender, which will be forfeited if the parties tendering decline to enter into a contract when called upon to do so. If the tender is not accepted, the cheque will be returned. If the tender is a contract when called upon to do so, If the tender is signed. The total security will—be forfeited if the contractor falis to complete the work contracted for.

Payment for material will be made many has contracted for a sum of the lowest or any tender not necessarily accepted.

Envelopes containing tenders to be marked: "Tender for Rubber Flooring."

the Electric Tin Products Co., recently incorporated, with seven out of the ten men interested from this city. The company has contracted for a supply of tin ore from South America, and will use Hydro-Electric power here. The industry is a new one for Canada, and in addition to employing a number of hands, it is expected that it will result in lowering Hydro rates here, as it will be a heavy user of Hydro power.
