the Tremont Stakes.

end to-day, the attendance was surprisingly small. The Tremont Stakes for 2-Ingly small. The Tremont Stakes for 2-year-olds was the first of the pair, and the crack 2-year-old Jean Beraud, was at the good odds of 2 to 5, owing to the heavy play on Froshinn. The start was good, and Kingdom went to the front at once. He made the running, with Jean Bereaud and Froshinn following as far as to the turn into the stretch, when Jean Bereaud shot to the front, and it looked to be all over. On the last furiong, however, Sims came with a rush on Froshinn and Sloan had to drive Jean Bereaud hard to win by a neck.

Then came the Brooklyn Derby, with Previous as the favorite at 2 to 5, and Struck out—Wright, Patton 2, Reisling 2, Casey. Two-base hits—Knight, Richter, Gonding. Stolen bases—Sullivan. Sacrifice hits—Richter, Smith. Hit by pitcher—Wright, Baker. Umpire—O'Loughlin. Time

Then why buy her a cheap bicycle? It will never be satisfactory and will constantly require repairs.

You would not permit her to expose herself to needless danger. Then why buy her a wheel that is apt to give out at a critical moment?

PRELIMINARY HEATS. Argonauts and Torontos Row Of

Some Four-Oared Races-A Fast Gas Company Crew.

Three preliminary heats in the Argonaut Rowing Club spring races were rowed yesterday afternoon under favorable circumstances, although a strong east wind was blowing down the course. Before the club events took place the annual race for the institution trophy donated by Mr. Hammond, with four gold medals, was rowed off. Only two crews competed, the Bank of Commerce and the Consumers' Gas Company. This is the fifth time this trophy has been rowed for, Commerce winning it three times. The start was a good one, the Bankers taking the lead and holding it nearly three-quarters of a mile, when on a spurt the Gas Company crew went to the front and won by three-quarters of a length, covering the mile in 6.20.

The first heat in the club fours was a good race with four crews getting away together, Hoskin leading to the turn.

The second heat had only three crews in it. The start was god, but after a few strokes two men in Baldwin's crew slipped their seats and the race was started over again. The start in the next was a fair one, but half way to the turn Dixon and McKenzle fouled, leaving Thompson and Jones to fight it out. Owing to the foul Starter Hanlan ordered the race to be rowed over to-day. The following are the winning crews:

For the Hammond Trophy—Gas Company 1: W Greer, C E Howarth, J Armstrong, R G Muntz stroke. Commerce 2: Pemberton, Complin, Cowan, H Jones tiroke, Time 62.

First heat club fours—H Kingston stroke, Watson, Gordon, Jones 1: F H Thompson stroke, O C Clarkson, G F Maguire, Sutton 2. Time 4.55.

Second heat—Joe Wright stroke, Bridges, J N King, Evans 1: H Duzgan stroke, Jordan, Brown, Gilmore 2. Time 5.03. Gas Company Crew.
