

At the Annual Meeting of the Sabbath School Association, recently held, it was decided that the Mission Schools under the auspices of the Association would be transferred to the care of the City Churches.

The Schools allotted to this congregation are, that of Nazareth Street, Griffintown, and Petite Cote.

Thirteen missionary collectors diligently performed their duty during the year; this is one less than last year. They testify to the kind and generous spirit in which they have been uniformly received by the people. It is hoped that three or four more additional collectors may offer their services in the coming year.

The Committee observe with pleasure a decided increase in the contributions of the children of the Church Sabbath School, and they venture to express the hope that the same spirit may be manifested in the Mission Schools. It is plain that the placing of two Mission Schools under the care of this Church, involves increased responsibility, to which, it is believed, the office-bearers and people, will not be found insensible. They will doubtless give all due encouragement to those already engaged in the work of teaching, and some may be found to esteem it a privilege to join their number, and thus increase the efficiency of our schools.

In conclusion, let us with prayer and united purpose seek to do all in our power to promote the growth of a spirit of liberality among ourselves, and the extension of the Redeemer's kingdom.

All of which is respectfully submitted.

JAS. ROSS, *Secretary.*
