### YORK COUNTY GARDENERS HOLD FINE BANQUET

Eighth Annual Was Great Success—General Notes of Interest From the Suburbs.

Successful beyond even the hopes of the officials was the eighth annual banquet of the Toronto branch of the Ontario Vegetable Growers' Association, held at Orr Bros., East Queen-street, last night.

From all parts of the fine old County of York they flocked together and from first to last there was not a dull moment throughout the evening.

President Delnorth occupied the chair and was supported on his right by Dr. Forbes Godfrey, M.L.A., E. E. Denovan, M.L.A., and Lockie Wilson. On his left were Frank Reeves, the indefatigable secretary, and Hon. Mr. Monteith and Capt. Tom Wallace.

Among the scores of growers and others referred to in the special work of the A. S. Simmers Company, Mr. Guthrie of Steele-Briggs Co., H. Sheppard, A. Little, A. Shuter, E. Waterman, C. Aymer, Mr. Sharpley, Mr. Stibbard, R. Lanckin, J. Barger, C. McKay, J. McKay, H. Jordan and John Lang, circulation manager of The World.

Letters of regret were received from W. F. Maclean, M.P., Dr. P. D. McLennan, M.P., Dr. J. G. Garthouse, Etobicoke, and others.

The toast list was a lengthy one and following that of "The King," "The Dominion Parliament" was responded to by Capt. Tom Wallace.

"The Provincial Parliament" elicited eloquent responses from Dr. Godfrey, M.L.A., and Hon. Mr. Monteith. "The Ontario Vegetable Growers' Association" brought happy and practical replies from George Syme, Jr., and H. B. Cowan.

Hon. Mr. Monteith responded to the toast of "Our Guests." Incidentally the minister referred to the special work being undertaken by the Legislature at Guelph and elsewhere, and urged organization and more intensive cultivation of the soil by the growers.

He referred briefly to his recent trip to the continent and drew favorable comments from the guests.

"I'm no believer in fraternalism," said the minister, "and the only true enjoyment comes from meeting and conversing with those who are not of your own kind."

"Municipal Councils" elicited a short but happy address from George Henry of York Township.

President Delnorth, Secretary Reeves and other members of the committee congratulated on the success of the gathering.

### TORONTO JUNCTION. Baptists of Junction Submit Annual Report.

TORONTO JUNCTION, Feb. 12.—A phone message was received in the Junction to-night from No. 6 Police Station, Parkdale, that a young girl, a little 6-year-old girl who had been playing in the corner of Queen and Dundas-street, had been apparently strayed from home.

The attention of a passerby was drawn to the child by the shouting of a woman who was attempting to cross the street.

The child was brought to the police station by a man who saw the accident. She was not injured. On being questioned, the little one said her name was McKay, but she couldn't tell where her home was. She was sent to the Children's Shelter at 10 o'clock.

845 Lansdowne-avenue, who stated that he was her brother-in-law, located her whereabouts and had her removed to his home.

**Sneak Thieves Operate.** While the family of John Boylan, 431 West Annette-street, were away from home yesterday afternoon, two thieves entered the house about 4 o'clock and got away with a gold watch and a small sum of money in cash. Lucky it that a diamond ring valued at upwards of \$250 had been left in the attic bedroom otherwise this, too, would have disappeared.

## Eczema, Salt Rheum.

Eczema or Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable.

The pre-eminent success which Burdock Blood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood cleansing and purifying properties.

No other remedy has done, or can do, so much for those who are almost driven to distraction with the terrible torture, as our thousands of signed testimonials can testify to.

Mrs. J. B. Keedy, Linton, N.B., writes: "I was so troubled with Salt Rheum for eight years, that I could not work my hands were so sore. By using Burdock Blood Bitters my hands were eventually cured."

Mrs. I. S. Buckner, Eden, Ont., writes: "I was troubled with Eczema for a long time. It came out on my face and between my shoulders. A friend told me about Burdock Blood Bitters. I took two bottles and it helped me so much I cannot recommend it too highly."

While attending a meeting of the relief committee of Runnymede Church, about a week ago, in which work she was deeply interested, Mrs. Mary Jane Woodhead of Herbert-avenue, York Township, complained of not feeling well. Her condition was not considered critical she died suddenly to-day. She was 42 years old and survived by her husband, Albert Woodhead, and son 12 years old. The funeral will take place on Friday at 2.30 p.m. to Prospect Cemetery.

The Festival Chorus, under the leadership of Dr. Torrington, will hold its regular practice to-morrow evening (Thursday) in St. James' Hall.

A large number of people attended the funeral of the late Miss Minnie Redditt at the home of her mother, Mrs. B. Redditt. The services were conducted by Rev. A. P. Brock, assisted by the quartet of the Methodist Church choir.

An important meeting of Richmond Lodge, A. F. & A. M., will take place on Monday evening next, on the occasion of the visit of the deputy grand master of the district.

### NORTH TORONTO. Big Budget of News Collected From the Suburbs.

NORTH TORONTO, Feb. 12.—There was a full board present at to-night's council meeting.

These recommendations of the board of works were adopted. That the tender of Frank Lamb for gravel be accepted, and that P. S. Gibson, tender for chinders; that P. S. Gibson, the town engineer, be instructed to cause the Metropolitan Railway Company to remove the spike from Yonge-street, which they are happen to shovel onto Yonge-street; that the council should be fitted out with inverted gas lamps.

The recommendation of the water, fire and light committee for better supervision of the commission for the laying of water services, caused a lengthy discussion, if the town labourers should be employed, or if such work should be done by private contractors, and was finally referred back to the committee.

The legislative committee's recommendation that the ninth clause of the private bill re the dividing of Danville ward into two wards be struck out, was debated at considerable length. The committee contended that the town should wait till the population reaches 500, which may be only two years hence. The recommendation, however, was finally adopted, as was the one that P. S. **Say There Was No Gong.** After unloading a cargo of goods at Conn's grocery store and crossing onto Yonge-street from Eglington-avenue, the lorry of the McCann-Knox Milling Company was struck by a southbound Metropolitan car at 11 o'clock this morning. Had the team been 10 feet further west the driver and horses would have been killed, but as it was no injury came to the lorry. The greatest damage done was to the fender. It is claimed that no gong was sounded.

High class music is furnished the patrons of the concert given at Christ Church, Deer Park, to-morrow (Thursday) evening, by the choir of the church.

**Wedding Bells in Town.** A quiet home wedding took place this afternoon at the residence of the bride's mother, Mrs. Margaret Blong,

Mr. and Mrs. Almont left on the 5.15 train for New York.

The North Toronto Hockey Club will play a return match at Markham on Friday evening. A special train will leave the Union Station at 6.30 on that evening; also a special car on the Metropolitan Railway has been provided for the going and coming from the Union Station.

Mr. and Mrs. Lewis Stone and a large number of friends followed to the grave on Tuesday afternoon the remains of a very much larger number would have been present had the roads been in better shape.

The boys who attended the S.P.S. V. Thornhill hockey match on Monday evening said that Thornhill put up a game of good hockey. It was simply a case of being outclassed, as the score showed.

### DIAMONDS IN MEXICO.

\$100,000 Find Said to Be Like Rich South African Beds.

MEXICO CITY, Feb. 12.—T. J. Robinson and two other Americans who own what is said to be a genuine deposit of diamonds in the State of Guerrero have just refused an offer of \$100,000 gold for the property. The offer was made by a British syndicate that is interested in diamond mining in South Africa.

The formation of the Guerrero diamond field is identical with that of South Africa. Several tons of much value have been taken recently from the property which Mr. Robinson and associates own.

### TRADE WITH MEXICO.

Montreal Board of Trade Invites Mr. Cahan.

MONTREAL, Feb. 12.—(Special.)—At the meeting of the council of the board of trade to-day, it was decided to invite Charles H. Cahan of the City of Mexico to address the Montreal Board of Trade, especially on Canadian manufactures between this country and Mexico.

Mr. Cahan, who was at one time a member of the Nova Scotia Legislature, has been in the City of Mexico for the past few years, and is also director of the Bank of Montreal in that city.

He has given an especially study to this question, and has no confidence whatsoever in the attempt of the United States to work up friendly trade or any other relations with either Mexico or the South American countries. They don't want, he says, any truck with Uncle Sam, and all their thoughts are for Canada.

Mr. Cahan and Vice-President Clouston of the Bank of Montreal will leave towards the end of the month for Mexico, but in the meantime the address to the members of the board of trade will take place.

### MIMICO.

Children's Entertainment Was a Delightful Event.

MIMICO, Feb. 12.—The children's entertainment held last night in the school hall was one of the most enjoyable and well-attended ever given by the Methodist Sunday School here. Arranged by the 14 years superintendent of the school, Mrs. M. A. Denovan, M.L.A., and Herbert Heather was musical director. The program, a somewhat lengthy one, was rendered in a pleasing and childlike style and showed the effects of much careful preparation.

The little ones did exceedingly well, especially in their motion song, "The Hickie-berry Picnic." Another very real and much appreciated selection given was "Cherry-blossom in Shadow," under the guidance of Miss Carrie Rush. A very large offering for charity was presented by the children, a portion of which will go to the Fred Victor Mission in Toronto, the rest being to-day distributed among families here.

The snow and ice are providing real winter pleasures here just now. Many are enjoying the sleighing, some in the old-time style of the evening from 8 to 10 o'clock. Curling so far has been confined to the games between the school and the village, with regulations made and shattered nightly. For to-morrow night arrangements are being made for a visit and game from the Swanes, with a picked one here to be played at the school rink.

James Stewart's postponed sale of rich cows and other farm stock takes place to-morrow at 1 o'clock p.m. on lot 6, concession 1 east, near Long Branch. Only to last week's term this sale had to be held over till this week.

### AURORA.

Attention was called to the death of three of our oldest brethren, Bros. Todd, Hollingshead and Fern. Among other things it was decided unanimously to celebrate the Battle of the Boyne in 1708.

The election of officers then took place and resulted: County Master, Bro. William Hoover, 1824; county clerk, Bro. Joseph Egan, 1824; county recording secretary, Bro. W. H. Taylor, 963; county financial secretary, Bro. N. J. Doyles, 518; county D. J., Bro. G. A. Furrows, 1824; county deputy lecturer, T. Boden, 92.
