LONG SHOTS AT MONTREAL

Dress Parade II. Takes Two-Year-Old Race and Nat B Steeplechase Each at 20 to 1

MONTREAL, June 9 .- (Special by Our Own Reporter.)-Montreal Jockey Club was again favored with fine weather and a fast track this afternoon the fourth day of the spring meeting. The card of six races was not as attractive as on the previous days, altho the fields were larger and included the daily steeplechase, The race thru the field brought out only a fair lot, as the majority of the first-class leppers were held out for the Prince of Wales Handicap, to be run Thursday. The best race of the afternoon was the third, a handicap for three-year-olds and upwards, at 1 1-8 miles, which brought out as good a class of horses as there is at the track, over a distance of ground. Arondack, who ran King James to such a hard finish, went to the post the first choice even after her poor race the iast time out. In this event the colors of Valley Farm stable appeared for the first time in Montreal. In former years, owing to the clash between Hamilton and Montreal, the Hendrie horses had and Montreal, the Hendrie horses had to be raced at Hamilton, altho Mr. Hendrie would like to have sent them to Montreal to encourage the game along. The first race saw a good field of youngsters face the flag, with Setback the first choice at odds on. There was a great deal of interest evinced in the event for gentlemen riders, as always is the case. It was not favorites' ways is the case. It was not favorites' day, for the majority went down to de-feat before second choice and long

Ontario was the only first chioce to land the money. Word was received at the track this afternoon that S. C. Hildreth would ship Montgomery here to run in the Mount Royal handicap on Saturday, while it is likely that he will Saturday; while it is likely that he will stay and start in the Windsor Hotel Cup on Monday afternoon. This will be the first time that the colors of the Hildreth stable have ever been spotted in Montreal. Summary: FIRST RACE, 2-year-old colts, con-

COMPTON, 7-10, WON

A bad start yesterday spoiled the opportunity for us to add another winner to our long list. SETBACK, our One Best Bet, was left standing till at the post when the barrier went up. We can pick them, but we an't tell what's going to happen during the running of a race. The best corses are often beaten by bad starts, incompetent riders and through accidents. Taking everything into consideration, don't you think that our one Best Bet Record for the past sixteen days is a very good one?

COATES' PLYMOUTH GIN

Remember that name when next you want a real dry gin rickey -- an appetising cocktail ---

A has the pleasing dry tang, without a hint of oiliness, that only master distillers can put into gin. No wonder! The Black Friars' Distillery have been making Coates' Plymouth Gin supreme ever since 1793!

No other gin is in the same class. Imported in bottles, only; and the Black Friar is on the label.

That's your warrant of quality. JAMES BUCHANAN & CO., Limited. D. O. ROBLIN, Toronto. Sole Canadian Agent
