The Oddfellows will wind up their league season next Saturday night with a handicap tournament at the Athenaeum Club, after which the prizes won in the league this year will be presented. The tournament from present indications promises to be a large and most successful one, upwards of sixty bowlers intending to roll for the cash prizes. As the night will be well taken up with the bowling and presentations, it is desired that all intending participants be on hand as soon after 7 o'clock as possible, so that alleys can be drawn and bowlers placed ready to start at 7.20. The secretary will be at the alleys prepared to receive the entry fees at 7 p.m. The fee is \$1 per man, and the tournament will be entirely individual, each bowler being handicapped on his season's averages, wherever they may be obtained. Following is the final standing of the I. O. O. F. Bowling League, Class B, for the second series:
