A BAD BOOK in the hands of youth is a powerful weapon of evil. Sunday School Committees find great difficulty in selecting suitable books for their library. Some think to visit a bookstore, and make personal examination, would be the best way. Such an examination must, at best, be but superficial, for want of time and patience, and often books are chosen in a hurry, because of their attractive binding or striking title.

## THE BEST WAY TO GET LIBRARY BOOKS,

In nearly all cases, is to leave the selection to us. In order to aid you in the matter, *we will, if desired, send a number more books than are actually required, from which you may make a selection, and return those not needed at our expense.*

We have long made this a study, and try to keep abreast of the times, and secure only such books as are of real value. If YOU ORDER, and leave selection to us, please send the following information:—

1. A list of books already in your Library, alphabetically arranged, if possible.
2. The number of books wanted.
3. Any special books wanted.
4. The number of books wanted for each grade—Senior, Intermediate, or Primary.
5. The amount of money you desire to spend.
6. Full shipping directions.

## A WORD ABOUT DISCOUNTS.

The poorer the mechanical work, and the more worthless the inside of a book, the greater discount offered; generally. A big discount may not mean a cheap net-priced book, for the retail price must be taken into consideration, as well as the discount. The retail price is sometimes increased in order that a larger discount may be given. Do not, therefore, be beguiled with offers of great discounts, or you will pay the difference before you get through. Many books are made on purpose for large discounts. We will allow the largest reduction from list prices possible, consistent with quality of book and sound business methods.
