Batteries—Ross and Blackwell; Tipton and McAvoy.
In Rochester—Montreal 0, Rochester 14.
Batteries—Herche and Madden; Lohman and Sandberg.
In Providence—Providence 7, Richmond 4.
Batteries—Gaw and Allen; Enright and Reynolds.
Ty Cobb of the Bushes.

Clarkburg, W. Va., is a thriving city of 20,000 population, and it has the New York Park Baseball Club to keep it acquainted with the national pastime. A Clarkburg daily describes the unequalled brilliancy of its local Ty Cobb as follows:
"Robert Cropp, local outfielder, rounding third in the eighth inning, saw that the ball coming from first base would beat him to the plate. He looked up, saw the umpires were not looking in his direction, and then pulled probably the most amazing and nervous play in the history of semi-professional baseball. He deliberately walked out of the base line and hid behind a group of spectators who were standing more than fifteen feet back of third base.
"Upon receiving the ball the visiting pitcher looked around for Cropp, but saw no one. He was convinced that a man had been coming home from third, and guessed maybe it was heat that was affecting him. He then hurried the ball a second to catch Stull, who was off his bag, but the throw went wild, Cropp then emerged from his hiding place and scored. The visitors raised a howl on the umpire's decision, but as the latter had not seen Cropp out of the base line he refused to make a reversal."

To Speed Up Ball Games.
Chicago, Sept. 2.—Ball games in the American League will be speeded up hereafter, according to President Johnson, who has instructed his umpires not to tolerate any unnecessary delays. The order is the outgrowth of a complaint made by President Comiskey of the Chicago Americans, who said that the progress of some managers and players about the condition of the ball in recent games had made it necessary to play two hours or more.
President Johnson said he would enforce the rule against the discoloration of the ball, but he had given out no bulletin on the "shine ball."

Girl Makes Long Swim.
New York, Sept. 3.—Miss Lucy Freeman of the local National Women's Life-Saving League, holder of the national A. U. long distance swimming championship for women, yesterday added further to her laurels as one of the country's foremost long-distance swimmers when she swam down the Hudson river from Spuyten Duyvil to the Battery, without interruption, in 3.39.22 2-3. The distance is estimated at between fifteen and fifteen miles.
This strenuous swim has never before been undertaken by a woman, and is a feat by a man. Throughout the long journey Miss Freeman never faltered, and she finished her arduous task about 200 yards out in the Hudson from the Battery wall. Her only worry when she climbed into the launch which had accompanied her on her swim was about her appearance before a moving picture camera which was operating close by.
Miss Freeman attempted the swim a week ago, but had to be taken out of the water at 110th street because driftwood and river craft hampered her progress. Yesterday there were none of these objectionable features, and the young woman proceeded on her journey, chatting at times with those in the motor craft guiding her. The entire swim was made close to the Manhattan shore, and seldom did Miss Freeman go out further than a hundred yards.

THE TURF.
The Races at Calais.
St. Stephen, N. B., Sept. 4.—(Special)—The horse races at the Calais Fair this afternoon were witnessed by a good crowd. The 2.21 trot and 2.24 pace was won by Azot, owned by C. L. Jackson, Bangor (Me.), in 2.21 1/4; Black Best, T. McBride, St. Stephen, 2nd; Mark Gratton, Chas. Cog, Calais, 3rd; Little Kitty, J. W. Gilchrist, Norton (N. B.), 4th. The 2.12 trot and 2.15 pace were won by Garry, owned by B. D. Tingley, Houlton (Me.) Best time, 2.17 1/4. Little Giddy, T. B. McBride, St. Stephen, 2nd; Mattie Marsh, J. W. Gilchrist, Norton (N. B.), 3rd; Seneca C. J. W. Metcalfe, Presque Isle, 4th.

Champion Retires.
New York, Sept. 1.—Sunbair, champion two-year-old of the country, has been retired for the season. Including the rich Hopeful stakes at Saratoga, Thursday, Sunbair's winnings total more than \$48,000 for the season. He won five times and was only unplaced once in nine starts.

Hartford Grand Circuit Meet.
The second day racing at the grand circuit meet in Hartford, Conn., was witnessed by a large crowd of people. Bobby C. won the 2.14 trot in straight heats. In the 2.15 class pace, John A. P. was defeated by Dr. Gordon. Saldine won the 2.24 class trot, taking three out of six heats.

Clue to Box Jackson.
The Manhattan A. C. at 15th street and Eighth Ave., New York, which has been idle since the night Benny Leonard knocked out Freddie Welsh, will reopen its doors on Sept. 10 with a contest between two of the city's chief lightweight boxers. The boxers will be Irish Patsy Cline, a Harlem boxer, and Willie Jackson, son of the Bronx, whose one-round knock-out victory over Johnny Dundee several months ago gained him a rating among the principal contenders at this weight. It is the intention of the officials of the Manhattan A. C. to endeavor to secure a match with Benny Leonard for the winner.

Won By Hartley.
Boston, Sept. 5.—Pete Hartley of New York was awarded the decision over Eddie Kelly of Pittsfield, in a twelve round bout here last night. Kelly, who appeared to be in poor condition, was sent to the floor in the first round and again in the fourth.

Football.
Fairville Team.
Last evening about twenty-five young men were put through an initial football practice at Dawson's Field, Manawagonish road, by A. W. Gatten, principal of Union Point school. Judging by this try-out the Fairville eleven will have plenty of material from which to pick a fast team.
The opposing teams chosen last night showed up well. There are some good runners who have been playing baseball most of the summer, and are in first class condition now for football. A subscription list is being passed among the local merchants to buy sneakers and other equipment to outfit the team.

ATHLETIC.
English Sprinter Wounded.
Private Robert C. Duncan, one of England's most prominent athletes, has been wounded in action on the French front. Duncan is widely known as a sprinter, having carried the English colors in the Olympic games, twice. At the games in London, in 1908, he was shut out in his heat in the 200-meter race, and he suffered a like fate in the games at Stockholm, Sweden, in 1912. He won the Scottish 100-yard championship in 1909-10 and the 220 yard championship in 1910-11. He also won the 220-yard championship for Scotland against Ireland, in 1910-11-12, while he ran a dead heat for the 100-yard championship, in 1912.

ED. DURMAN EASILY DEFEATS HACKETT
Champion Sculler of America Wins Three Mile Race by Wide Margin; Opponent Unfamiliar With Course
Toronto, Sept. 3.—Eddie Durman, of Toronto, professional champion sculler of America, was an easy winner over John L. Hackett, of Beaudette, Minnesota, in a three-mile sculling race on the bay Saturday afternoon for a \$500 side bet. The time of the race was 24 minutes, 25 seconds, and Durman finished in perfect condition, a light fair southerly breeze stirring the water into slight ripples. Hackett, who was unacquainted with the course, got into difficulties at the outset. In the toss-up, Durman started strong, making about 32 strokes to the minute, and later when he had secured a safe lead, lengthened his stroke to 38 to the minute. Hackett tried to keep up a pace of 34 strokes throughout.
Joe Wright was referee, Harry Dibble judge at the finish, and James W. Barry, of the Argonauts, judge at the turn. John Gilmare and Francis Nelson were the timekeepers.

St. John Horse Wins.
Epous, owned by John Gilm of this city, won the 3.35 trot and pace at Chatham yesterday. After finishing third in the first heat and fifth in the second, Epous captured the three following heats and carried off the honors; best time 2.20 1/4. Bob Mac, owned by L. A. Simpson of Amherst, won the free-for-all in straight heats; best time 2.16. Lacopla came second in this event and Lella Burns third.

McGraw Worried by Lack of Catchers
New York, Sept. 3.—When John McGraw does what it is expected he will do in leading his team into the 1917 world's series, he will be carrying the most delicate set of catchers along that the game has sheltered for many a day. Lew McCarthy is expected to be there with his broken leg, and George Gilson's brittle thumbs will be in action.
The season for McGraw has been a succession of trouble with catchers. First, McCarthy tried to tear a base with his leg and suffered a broken one. Then Gibson got his hand in the way of a pitch and his thumb was broken. At various times Bill Radien has been running around with half a hand or so split by foul play.
Just as McGraw sold Ernie Krueger a promising young receiver, a blow fell on his catching staff and he was compelled to buy young Snyder from Brooklyn. He tried to wheedle Robinson into letting him have Krueger back, but the attempt was fruitless.
John McGraw will take his fling at a world's championship this year with just three pitchers of any noted effectiveness, and they are all left-handed. Schupp, Benton and Salce will have to carry the burden, with the bulk of pronouncement falling on the Schupp.
Little can be expected of Peritt, Tesreau or Anderson in a struggle with one of the powerful American league clubs, and it is regarded as doubtful in some quarters if Salce will be of more than passing interest to a club like the White Sox or Red Sox.

It is now being pointed out that McGraw's left handers have been able to nullify the daylighting out of the opposing pitchers and score an abundance of runs. Whether they will be able to do this in the world's series is a question which will be settled by the American league is furnishing the subject for a lot of arguments.
Already efforts have been started to find out the why of Clif Bender's unexpected return to stardom. The discovery of some new kind of a "shine ball," "iceball," "emery ball," or some equally mysterious curve is the attribution of every National league hurler.

KEITH REPLACING THE BOSTON THEATRE WITH MILLION HOUSE
The historic old Boston theatre in Washington street (Boston), adjoining B. F. Keith's, is to be torn down by A. Paul Keith and E. F. Allen, and replaced by a structure that will probably cost, with the present building market, at least \$1,000,000, according to the preliminary estimates of the architects, who are reported to have been given a free hand, with instructions to turn out the biggest theatrical building in Boston.
The plan call for a seating capacity of 4,000, with a full stage that will be the largest in the city, and pictures and vaudeville in combination will be featured.
The box office and main entrance will be in Washington street, the same as at present, and the Arcade at 102 Tremont street will be completely ripped out and rebuilt as a Tremont street entrance, as the theatre business on this main traffic artery bears wonderful possibilities.
The Keith interests acquired the house years ago. For the last two years the raising of the old Boston, which has three balconies and a 3,400 capacity, has been rumored, the popular story being that a huge commercial hotel was to be erected.
The present announcement is official, and lays the hotel ghost once and for all.

A NEW RECORD FOR GOULDING
Toronto Walker Shatters Record at Championship Meet in St. Louis
St. Louis, Sept. 2.—Chicago athletes again were the point winners in the championship meet of the Amateur Athletic Union here Saturday afternoon, first place in the senior events going to the Chicago Athletic Association. The Illinois Athletic Club, which yesterday won first place in the junior events, today came out second in the seniors, with a score of 23. The winning score of the Chicago Athletic Association was 60. Boston Athletic Association was third, with a score of 16.
No world's records were broken, nor even American records recognized by the Amateur Athletic Union, but two championship records of the A. A. U. were broken. One of the new senior champions is Joe Ray, of the Illinois Athletic Club, Chicago, who ran a mile in four minutes 18.2 seconds, which is 1.5 of a second faster than the old championship record.
A new championship record was made also in the three mile walk. The championship mark was made in 1883 by G. D. Baird, his time for the distance being 22 minutes 58.5 seconds, but George Goulding, of Toronto, N. C. A. U., today covered the three miles in 21 10.5 seconds. The record made today does not set a mark. His furlough from the Mount Clemens aviation camp has been extended to next Wednesday, and it is promised that he will be here for the relay races Monday.
Floyd Smart, of the Chicago A. A. U., however, equalled the A. A. U. record of 24.4-5 seconds in the 440 yard hurdles.

CANADIAN CHAMP. WINS MATCH RACE
Newark, N. J., Sept. 2.—Arthur Spencer, Toronto's boy wonder, conquered Frank L. Kramer, the former cycle king, in a match race which took four heats to decide here this afternoon. It was a great day for the Spencer family, as "Brother Willie" won the ten-mile invitation from the eleven best riders on the track. Arthur and Kramer did not start in this event, saving themselves for the deciding heat of the match.
Kramer won the first heat of the match race, riding around Spencer on the first turn. Kramer followers were wild with enthusiasm when the former champion won the heat, but Art came back strong the second time, and it appeared as if he had beaten Kramer to the tape, but the judges ruled Kramer's final jump had made the race a dead heat. The fans surely got a run for their money. Arthur was master of the third heat at all times. He rode from in front and watched Kramer like a hawk. Kramer tried to force him going into the last lap, but Arthur waited, and when "Big Steve" finally did jump Spencer on the way, too, and led Kramer a chase to the tape, with Frank finishing a length back.
The final heat brought about Arthur's most decisive victory, for in this one he rode around Kramer on the first turn, practically riding him into the ground. Kramer almost quit, but then came on with a rush and finished two lengths to the rear. The last eighth mile, which is the only important part in a match race, was 12.1-5 seconds three times, and 12 seconds flat when they rode the dead heat.

WHY DON'T LOCAL DOG FANCIERS GO OUTSIDE FOR HONORS?
To the Sporting Editor of The Times Sir—I have read with pleasure the success of the Fredericton dogs that were exhibited in Quebec at the Sherbrooke dog show.
That good rough Collie bitch, Hanwell Lucile, was awarded first, open and winners trophies at that event. This is the second time this collie has been placed on top in her class, including the winners ribbon in both events, the former at Montreal. Another, a puppy dog, Hanwell Captain, was awarded first in the junior and novice classes.
The writer has good reason to know that the competition is strong in that city, and it is evident she was put down very fit to win.
A question might be directed to the city fanatics—why they don't go outside for honors? There are lots of splendid type of dogs in this city, that if the owners would put the time on them and give them a chance, would do the local men credit.
Yours truly,
LOCAL DOGMAN.

NICHOLAS ROMANOFF NOW LIVING IN AN APARTMENT
Former Emperor of Russia and Family Have 14 Room Quarters in Old Fashioned House in Tobolsk
Petrograd, Sept. 5.—Nicholas Romanoff, former emperor of Russia and his family now are living in a 14-room apartment on the second floor of a large, old-fashioned house at Tobolsk, Siberia, according to reports just reaching Petrograd. Nicholas and the former empress each have a room, two rooms have been put aside for the four daughters and one for Alexis, the former heir-apparent. The other rooms, except the dining room, kitchen, reading room and so forth, are occupied by the servants.
The house is without a garden and the only way of getting fresh air is from a small balcony.
The new home of the Romanoff was not ready when the family arrived and they were compelled to spend two days in the small steamer on which they traveled the last fifty miles down the Tobol river. The former empress and her daughter, Olga, rode to the house.
