The government should ceived at Manchester before, but no carmonths ago. The government should go of this size and value. The whisky exercise its power in the public interest, and without waiting to be told of its house in Trafford Park.

CRIME AND CRIMINALS

Are men dealt with as criminals who should be sent to asylums for the insane?

We are told that, "speaking before the October 11th at the home of Mrs. Archie Bishon, sister of the hyde in Montan. American Prison Association at its con- Bishop, sister of the bride, in Moncton. vention at Buffalo, Dr. Paul E. Bowers, "One wife too many!" exclaimed Mrs. superintendent of the Indiana Hospitals for Insane Criminals, urged that every prisoner at the time of his arrest and trial should be examined sociologically, physically and mentally by a court phy
"One wife too many!" exclaimed Mrs. Wederly, as she glanced at the headlines is an account of the doings of some bigamist?"

"Not necessarily, my dear," replied her husband. without daring to look up.

LIGHTER VEIN.

"Can I show you one of my new tucco houses?" asked the affable builder of the man who was passing.
"Just how do you spell that word?" nquired the passerby. "I am not as inexperienced as I look."—Puck.

Augustus O. Stanley, Kentucky's new governor, who has mounted the water wagon, announced recently that during his four-year term not a drop of intoxicating drink will be allowed in the state house.

"The campaign that I propose to wage "The campaign that I propose to wage against alcohol," said Governor Stanley, "is to be a thorough and honest campaign. There is too much hypocrisy among drinkers. Here is a typical instance.

There is still a doubt as to the extent to which the Austro-Germans may be sician; and that he argued that such a practice would very materially lessen the expenses of the state as well as prevent gether after an afternoon's shopping for a little constitutional, one of the wo-men said. Then she inquired. 'Does

ours? "'No, replied the other. 'No, my husband always keeps it in the house "I broke some records this aftern "I broke some records this atternoon.
"I didn't know you were an athlete."
"I'm not, but the next time my daughter gives a dancing party she will find there isn't any music to dance to."

The Stranger—Why are you driving the car so fast?
The American—To get to the ferry. (Later at ferry.)

"I shouldn't care to be the wife of a man who never smoked. "Well, it is comfortable to see one's husband sitting down after dinner to ena considerable percentage of them should joy his cigar, and, besides, there is something rather soothing about the aroma of good tobacco."
"O I don't care about the comfort of

stantine has a strong following, and bloody scenes of internal strife may be witnessed before the Greeks are finally committed to the cause of the Allies. Of all the countries affected by the war, the attitude of Greeks has been the war, the stitude of Greeks has been the war, the attitude of Greeks has been the war, the attitude of Greeks has been the war, the stitude of Greeks has been the war, the stitude of Greeks has been the war, the stitude of Greeks has been the war.
