WRONG BLACK SHEEP FAILS AS A MASCOT

Gaurisankar Runs Fourth in the St. Leger When Substitution is Made.

Paris, Sept. 20.—(By Mail)—Gaurisankar, 8-year-old son of Sardanapale, Grand Prix winner in 1914, who made the journey from Maisons-Lafitte to Doncaster and started in the St. Leger, is a social thoroughbred who dislikes to be alone even when traveling.

His favorite companion is a jet black sheep, and the latter went off with the son of Sardanapale on his trip to England. Arriving at Boulogne, Wallace Davis, Gaurisankar's American trainer, was informed that owing to the embargo against the importation of sheep

into England the thoroughbred's companion could not land at Dover.

Lavis thereupon sent the following cable to his agent at Dover: "Buy black sheep at once, meet us at pier with him." While entertaining some doubts as to his employer's sanity, the agent went out to look for a black sheep, succeeded in locating one, and met the party at the boat.

Gaurisankar immediately took a fancy to the English black sheep, all black sheep looking alike to him, whether British or French. The sympathy was not mutual, however, and the patriotic English sheep did not show any inclination to pal with this French invader coming with the intention of capturing one of the classics of the English turf. He was surly and noisy. He got on Gaurisankar's nerves, and the animal was in a high state of excitement when unloaded at Doncaster.

Winkfield, the American negro jockey from Kentucky, brought his mount through the stretch with a rush after a poor start, finishing fourth.

"It's all due to that blasted bleating English sheep," he said. "Had we had our regular mascot we might have won the race."

DROPS DEAD FROM EXCITEMENT WHEN ELEVEN ALMOST SCORES

Cleveland, Oct. 17.—In the midst of a spectacular advance in the first period of a football game between Case School and Applied Science and Western College here, a Case rooster dropped dead, overcome with excitement when Case carried the ball to Wooster's 3-yard line. The name of the man was said to be G. M. Kappel, sixty years old, of Cleveland.

Approximately 2,000 yardmasters in the United States were granted an eight hour day with overtime, which is said to amount to nearly twenty-five per cent. increase in pay by the United States railway board yesterday.

BECKETT TO MEET SIKI IN LONDON

Bout for Heavyweigh Cham-

pionship of Europe to be Staged in November.

Paris, Oct. 16.—The next fight in which Battling Siki will take part will be staged in London, November 23. On that date the Senegalese conqueror of Georges Carpentier will meet Joe Beckett, the English heavyweight, in a twenty round battle for the heavy-weight championship of Europe.

This was decided on when Major Arnold J. Wilson, English promoter of boxing contests, obtained the signatures of both M. Hellers, Siki's manager, and Siki to a contract under which Siki will receive £4,550 for his end of the purse. Siki returned to Paris from Holland this morning and had a long talk with Manager Hellers prior to the signing of the contract. The difficulties which had threatened to separate the manager and the fighter had been smoothed over by an announcement that the French Boxing Federation was inaugurating an inquiry as to why Siki obtained only 75,000 francs as his share in the purse for fighting Carpentier, when the winner's end was advertised to be 200,000 francs. Siki had signed a contract with Hellers, who is charged with the task of looking after the affairs of the Senegalese until May 30, 1923. Hellers, not having heard definitely from Tex Rickard with regard to a fight for his charge in the United States, decided to accept the offer of Major Wilson for a bout in London with Beckett, who last Thursday night in the English capital showed away Frank Moran, the American heavyweight, in seven rounds.

Siki yesterday said he weighed 180 pounds and that he had decided henceforth to fight at this poundage. The African fighter does not conceal his lack of desire to meet Harry Wills or Kid Norfolk, the American negro batters, but through Hellers he has expressed a wish that "my coming victory over Beckett shall be considered sufficient qualification to meet Jack Dempsey."

New York, Oct. 17.—In an effort to reach an understanding on a tentative arrangement by which Battling Siki was to come to the U. S. to engage in bouts with light heavyweights, Tex Rickard today cabled Maurice Heller, the fighter's manager. It has been reported from Paris that Siki has no intention of coming to the U. S. "If Siki and his manager do not come here," said Rickard today, "as they called me they would, then I will guarantee that Siki will never box in America if I can prevent it."
