OPPOSE SUNDAY BAND CONCERTS

Binghamton, N. Y., Nov. 15.—Harold F. Albert, recreational director of the Binghamton-Johnson Corporation, was arrested on complaint of the Binghamton Ministerial Association for staging a concert by John Philip Sousa's band at which an admission was charged, in alleged violation of ordinances governing the observance of Sunday.

Following the arrest of George F. Johnson, president of the Binghamton-Johnson Corporation, announced that he is prepared to fight the so-called Sunday blues in a trial in the courts, and Sousa issued a statement in which he declared there was no inspiration in the marches he has written than in the sermons of some of the ministers who objected to the concert.

ST. GEORGE'S W. A.

A very enjoyable entertainment was given last night by the senior girls in St. George's church, W. E., in aid of the building fund. There was a good crowd present and the affair was a great financial success.

The programme opened with selections by the ladies' orchestra, of which Miss Helen Brittain is the director. The months of the year were then shown in pretty arranged tableaux, and those who appeared in the tableaux were: Misses Hazel Peck, Marion Waring, Gladys Lefebvre, Lillian Craft, Alice Silliphant, Vivian Craft, Lena Jennings, Leola Jenner, Helen Sewell, Grace Lord, Birdie Bennett, Muriel Harrell, Misses Dorothy and Ella Meurling sang a Swedish song and were dressed in the attractive winter fish costume. The final number was a playlet entitled, "Twelve Old Maids." Those who took part in the playlet were: Misses Annie Long, Gladys Keating, Jessie Brittain, Marjorie Napier, Helen Brittain, Winifred Lennon, Margaret Allan, Len Nickerson, Louise Cohen, Grace Breen, Florence Gorham, Jennie Silliphant, Vivian Craft, Gladys Bedford, Jessie Ogler and Mary Orr.

BOY HELD FOR GIRL'S DEATH

Detectives Investigating the Shooting of a Five-Year-Old Child.

Hackensack, N. J., Nov. 15.—Otto Jacobs, eleven-year-old boy of Montreal who shot and instantly killed Catherine Sullivan, 5 years old, was arrested by County Detective Seibel and committed to the Hackensack jail on a technical charge of manslaughter. The boy will be closely questioned by Prosecutor A. C. Hart, who caused the boy's arrest following the contradictory stories told by members of the boy's family. The county detective was told by Otto Jacobs that the gun at the little girl's home was pulled the trigger. Prosecutor Hart is anxious to determine whether or not young Jacobs knew the gun was loaded. The boy says he did not. James Sullivan, the father of the dead girl, told Detective Seibel that the children were playmates and that he could not believe the fatal shooting was anything else but accidental.

The Community Fair last evening was again largely attended and all the amusements received generous patronage. The door prize, a load of sawed hard wood, was won by Miss Jean Arbing with ticket No. 638. The winners at the various games were as follows: Air gun, M. Laskey, a picture; gentlemen's bean board, C. Morgan, a thermos bottle; ladies' bean board, Mrs. R. B. Stackhouse, an umbrella. The door prize tonight will be a half ton of soft coal. The winners of the door prize on Monday night appeared last evening and claimed the prize. This winner was William Harlicks and he held ticket No. 587.

At a largely attended regular meeting of the Coal Handlers' and Trimmers' Union held last evening in their rooms in Smythe street, officers for the ensuing year were elected as follows: President, Charles Young; first vice-president, Ernest Clarke; second vice-president, William Matterson; secretary-treasurer and business agent, William Ely, elected unopposed for another year. Five delegates were appointed to the Waterfront Council. The union is working under the same agreement this year as last.

General Meeting of the Diocesan Sub-Division Well Attended—President Tells of Winnipeg Sessions.

A general meeting of the St. John diocesan subdivision of the Catholic Women's League was held in the Knights of Columbus hall last evening and was attended by nearly 400 members. A report of the annual meeting of the National division, held in Winnipeg, was presented by the president Mrs. D. P. Chisholm, and addresses were given by Rev. Wm. M. Duke and Rev. George Coffin, C. S. R., chaplains of the St. John and the St. John north sub-divisions. The St. John north sub-division members were the hostesses for the evening.

In the afternoon a meeting of the executive was held at the residence of Mrs. M. Coll, Douglas avenue. After reports had been received and the business session concluded afternoon tea was served. At the general meeting Mrs. Chisholm delivered the opening address, after which Miss M. McCloskey, president of the St. John north sub-division, took the chair and extended a hearty welcome to all. Pleasing vocal solos were rendered by Miss Florence Kierwin, who was accompanied on the piano by Mrs. Quilman.

Mrs. Chisholm told of the praise accorded the report when it had been read at the national meeting. She then gave an interesting, eloquent and graphic account of the transactions at the second annual meeting of the Catholic Women's League of Canada, held in the Alexandra Hotel in Winnipeg. Twenty-two of the twenty-four diocesan presidents had been present and only one diocese was not represented. Immigration matters were predominant among the subjects discussed, and an account was given of the formation of the Order of Sisters of Service, which order does not adopt the habit of the religious and the members of which travel many miles in the wilderness to separated homes in the west. Reports had shown that there were now 222 district sub-divisions of the C. W. L. with a membership of almost 80,000. A charter was to be applied for. Miss Jones had given an account of the international meeting in Rome and the resolutions passed by the international C. W. L. had been endorsed. The formal opening of the Canadian National meeting, Mrs. Chisholm described as an occasion never to be forgotten. There had been present the Archbishop, four bishops, two mitred monks and nine priests. The Archbishop, in his inspiring address, had urged the necessity of concentrating on things of national importance. The president, Miss Belle Guerin, had brought the hope's message, expressing the wish that the members should "devote yourselves to the family. It is the centre of all good." The president had also spoken with much earnestness concerning immodesty in dress, social extravagance and similar matters.

Mrs. Chisholm told of the many social functions which the delegates had attended, of their pleasure in greeting St. John friends, of the notable speakers who had addressed the meetings and referred to the honors given to members of the St. John diocese in appointments on committees for the meeting. Summing up the most important issues discussed at the sessions, Mrs. Chisholm referred to immigration, Sisters of Service, the Girl Guides and better films as among the efforts which the organization had pledged itself to support. "It was hoped that the insignia would be ready for the members."

Mrs. John E. Owens gave the report of the immigration committee that had been looking after the Catholic immigrants in St. John. She said the five to ten hours which the new-comers spend in the immigration building in West St. John were the moments when kindness was most powerful for good. Rev. Dr. O'Reilly was the first Catholic chaplain at the port and St. Monica's Society first took up the work of looking after the Catholic immigrants in St. John. Rev. William M. Duke, the late Rev. Father Maloney and the present port chaplain, Abbe Casgrain, in turn had taken the duties of chaplain. Mrs. Morrissey, of West St. John, had at some personal inconvenience directed those detained in the immigration building in order that they might attend mass at the Church of the Assumption and mass had been celebrated in the immigration building once. Having given many cases where the port workers had been especially helpful, Mrs. Owens closed with an appeal for aid in this big endeavor of national importance.

Rev. William M. Duke spoke on behalf of His Lordship Bishop LeBlanc, who was unable to be present. He trusted the meeting was of the many similar meetings and that the coming year would see the membership doubled. Giving some practical advice as to work which the League might undertake in the city, he spoke of striving to have one member in every Catholic home, and supporting the Cliff street high school gymnasium and recreational centre activities. He felt there should be a national organization for immigration work along the same lines as that of the Y. W. C. A. to make the port work effective.

Rev. Father Coffin, C. S. R., spoke of co-operation as the keynote to success and pointed out that self-sacrifice on the part of all members was essential. He spoke also of the need of looking after the homes of those people whom the League sought to help. On behalf of Mrs. Richard O'Brien, president of the St. John sub-division, Mrs. Chisholm thanked the hostesses of the evening, and thanks were extended to those who took part in the programme.

For the serving of refreshments Mrs. J. D. Malier and Mrs. Frank Fitzgerald were the convener and those who assisted were Mrs. Mary O'Regan, Mrs. John Burke and the Misses Horne, Mather, Mary Killion, Mary MacDonald, Marion Murphy, Helen Murphy, Alice Dwyer, Irene O'Connor, Isabelle Gormley, Florence Kierwin, Regina Kierwin, Katie Coughlan, Alice Phillips, Mary Quinn, Margaret Grant, Greta Coll and others.
