Satan's Empire
Falling

"millions now living will
never die"

—Judge Rutherford

SATAN'S wicked influence has long been felt in every part of the world. Together with his associate devils he incites people to hatred, strife, murder, and induces war and anarchy, wrecking homes and driving millions to insanity and suicide. Satan caused the fall of man, and established his empire.

EMPIRE. His wicked influence has over-reached the denominational churches, causing many clergymen to forsake God and unite with profane and politicians to control mankind. But the end is here and his empire is falling.

FALLING. And Christ the rightful king, though invisible, is beginning to reign. Hence the distress of nations of which Jesus spoke. These troubles will soon reach a climax and disappear, followed quickly by peace and prosperity, as Jesus assumes control.

(By Kerr's Girls.)

There are other good old colleges, in very many ways.

But they will not surpass old "Kerr's" in many, many days.

Though Kerrs are out of business, we'll always bear in mind the happy days we spent up there with our principals, so kind.

Although the stiles were quite hard, and the grammology, "Oh, dear," but they were taught so carefully we really had no fear.

Although we all may drift apart, we will always think the same, that Kerr's old "Business" is the best. Whatever others claim.

The doors were never closed at nine, but all who came in late were always welcomed with a smile; we never had to wait.
