

OVERSTOCKED

SALE

TO THE PUBLIC
Frankly, we are Overstocked; not merely a little, but a whole lot. Unsettled weather compels cutting stock now, not in mid-Summer. With that target in view, we have shot away market prices. You will profit by the situation and we will benefit by the turnover.
This Overstocked Sale presents the unique condition of a July clearance held in May. Now is Your Time to Buy.
Wishing you well in your opportunity.
Sincerely,
AMDUR'S LIMITED.
