Women Stay

dainty, immaculate
now under their
most trying hygienic
handicap

OLD-TIME sanitary pads kept women in a state of embarrassment almost one-sixth of their time.

Now wear gayest, sheerest frocks; dine, dance, motor for hours, any time, any day, without a second thought.

"KOTEX" is a new and remarkable way... five times as absorbent as ordinary cotton pads.

Absorbs and deodorizes at the same time. Thus ending ALL fear of offending.

You discard it as easily as a piece of tissue. No laundry. No embarrassment.

You get it for a few cents at any drug or department store simply by saying "KOTEX." Women ask for it without hesitancy.

Try Kotex. Comes 12 in a package. Proves old ways an unnecessary risk.

No laundry—discard like tissue
