WHO PAYS THE TAXES!

Editor Toiler: In an address published by the "Socialist Labor Party," one who aspired to civic honors, it was declared that the "workers" need not trouble about the taxes, as the landlord paid them. If, such is the belief of leading men of the Socialist Labor party. Och. hone! for the party. The rent paid by the tenant must cover taxes, repairs, in-The Account fold with the control of as to permit this reform to be applied and its owner to the poorhouse. There is no argument against this exemption worthy of the name, and as far as precedents are concerned, the new hotel, which is exempt by statute to an amount equal to over 1,090 small houses.
