MONCTON, N. B., Jan. 30.—There was little general interest taken in the mayoralty election today and a light vote was polled. The election resulted in the return of Dr. E. O. Steeves. The purchase of land for a park was one of the principal issues, and while this gave Dr. Bots, ord a large vote in ward one, where the proposed park is located, it operated against him in other wards. The voting was as fol-

#### MILBURN'S HEART AND NERVE PILLS

The first of these is when the young girl is entering the portals of womanhood. At this time she is very often pale, weak and nervous, and unless her health is built up and her system strengthened she may tall a prey to consumption or be a weak woman for life.

The second period is motherhood. The drain on the system is great and the exhausted nerve force and depleted blood require repleuishing. Milburn's Heart and Nerve Pills supply the elements needed to

The third period is "change of life" and this is the period when she is most liable to heart and nerva troubles.

to heart and nerve troubles.

A tremendous change is taking place in the system, and it is at this time many chronic diseases manifest themselves. Fortify the heart and nerve system by the use of Milburn's Heart and Nerve Pills and thus tide over this dangerous period. Mrs. James King, Cornvall, Ont., writes: "I have been troubled very much with heart trouble—the cause being to a great extent due to "change of lifa." I have been taking Milburn's Heart and Nerve Pills for some time, and mean to continue doing so, for I cantruthfully say they are the best remedy I have ever used for building up the system. You are at liberty to use this statement for the benefit of other sufferers."
