No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impair digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.
Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.
You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

Here is a real tea-treat that will surpass your fond recollection of 'the nicest cup of tea I ever tasted!' King Cole Tea will truly make an even nicer cup of tea an everyday reality. Such richness, such vigorous fullness of flavor, such pleasant smoothness were never concentrated so deliciously in your tea-cup before. And the cup you enjoy a month hence will be as nice as your very first sip. Its delicious flavor never varies. You will love it more and more.

YOU'LL LIKE THE FLAVOR.

Adopt the use of Classified Want Ads. They have proved money makers for others. They are appreciated by the buyer, as they enable him to quickly locate the place where he can find his requirements. Will he find your business represented?

"We can't get any witnesses to testify that they saw this accident."

"Why there were 20 passengers on the car."

"All women, and every one of them will swear that she closed her eyes tightly when it became apparent that there would be a smash."

"Where is he from?"

"I don't know, but I think he was raised on a desert island."

"What in the world makes you think that?"

"He says no woman ever made a fool of him."

To work buttonholes smoothly and quickly, mark the size of the buttonhole on the material with a soft pencil, and after it is worked out open with a sharp penknife. This is especially helpful in working on material that ravel easily.
