eiven monks esding Söth November were \$9,167,703; working expenses, \$6,764,662; net profile, \$8,423,241, against \$2,984,183 the same period of 1885. —It has been ordered by the Deparment of Marine that the steamere "Neptune" and "Northern Light" shall make daily trips with mails and passengers, on alternate days, from Charlottelown and Georgetown, P. E 1, to Picton, N. S., returning the following day, thus giving a daily mail and way between the island and the main-land during the winter, or while the harbors are open. -The Quebec Legislature meets on the 27th January.

-Gialstone celebrated his 77th birthday Dec 29. Telegrams of congratulation were received from all parts of the world. -At the cabinet meeting on Thurnday, Lord Saliabury submitted the correspond-ence between himself and Lord Bandolph Churchill relative to the latters resignation. He explained the nature of the negotiations with Lord Hartington, who, he said, refused to take offlos in the cabinet and strongly favored a story successor to Lord Shimerhill. The cabinet left the matter in Lord Salibury's hands. Churchill is not astisfied favored a tory successor to L The cabinet left the matter bury's hands. Churchill is

with the explanation of his resignation which the Marquis of Saliebury has put forth, and has declared his intention of expreta, and has declared his intenti plaining the premierfs acplication Lord Bandolph declares, usouly the issue, and he will explanize calls the growing divergence hetweet self and Lord Salishury on near political question. Mr. Chamber Salisbury that he will do his best Salisbury that he will do his best and the substantington to accept office. A grant declaration of the set has canebury that he will do his best to induce Lord Hartington to accept office. A though Hartington declines to enter the calibriet, he would be willing if the government re-signed to join in the formation of a coalition ministry.

algebra to join in the normalization of the primitary. Lord Ban lolph Churchill has been the can-eo tvery much talk during the last ten days. When he resigned as a member of the cabinet, all eys awree turned toward him. He has, as yet, failed to satisfy the public as to his reason for re-signing. It is harity to be believed the only outnew as disatisfaction at the set-tate for may ournower. He has threatamony un public as o bis reacon for re-signing. Its is harity to be believed the only cause was disainfaction at the esti-end to explain Salishary's explanation of in resignation, but as yet has not done so, though his friends blued at some starting verefations should he commence. Salis-bury declined to cons him, and the latest depailables should he commence. Salis-bury declined to cons him, and the latest depailables should he context of the residual start of the start of the result of the start of the videning breach between these two, hoping that Oburyhill, examprated by this latest and, may reach between these two, hoping that Oburyhill, examprated by this latest and a single infinential politions is to be found supporting him, and that a defender of his conduct caused to found, even with his own circle. ---Vienna is becoming convended the lausis is determined on are. Record the
