

Hair Hints

It is much easier to keep the hair when you have it than it is to restore it when it's lost. If your hair is "coming out" it needs instant attention. The use of AYER'S HAIR VIGOR will promptly stop the hair from falling, and stimulate it to new growth.

"Some years ago my hair began to fall out and I became quite bald. I was advised to try

and had used it but a short time when my hair ceased to fall out and a new and vigorous growth made its appearance. My hair is now abundant and glossy.

P. E. I. Conference.

A small but interesting meeting of the P. E. Island Baptist Conference was held at Bedeque, Sept. 26 and 27th. The subject of Temperance naturally occupied the first evening, and Pastors Brown and Grant gave earnest appeals for greater zeal on the part of those still indifferent. The reports from the churches received on Tuesday morning were most favorable. All the fields have been manned for the summer and all but two have pastors for the winter. One of these we hope to see soon occupied. Baptisms were reported by several of the pastors. The subject of shortage in the treasures of the denomination was discussed, and the feeling seemed to prevail that with the fields so well manned, we could raise the \$1,000 asked by the convention. A committee was appointed to apportion amounts to be recommended to each church. This committee will send to each pastor the amount to be raised by his church.

Much regret was expressed at the loss of Pastor Corey from our number and resolution was passed with regard to him, expressing the highest appreciation of his many Christian character and his work as pastor, preacher and advocate of temperance and other moral reforms. Mr. Corey has always taken a deep interest in the denominational gatherings and has contributed largely to their interest and success. Both he and Mrs. Corey will be greatly missed and long remembered on the Island. The prayers of their brethren is that they may be greatly blessed on their new field of labor. Many kind things were said of Pastor Corey in support of the resolution. He leaves the Island much loved by pastors and people, over its entire extent.

A communication from Dr. Trotter showed that the canvass for the Forward Movement had not yet been completed. It was thought best to have some agent of the college visit the remaining fields and co-operate with the pastors. It is hoped that Rev. J. A. Gordon will visit the Island and complete the work next month. Pastor Warren, who has lately returned from his trip to England and Scotland, entertained us with a description of some of the preachers he saw and heard while abroad. He is full of information and will doubtless give us many treats in the coming months.

Conference meets in December with the Clyde River church.

THOSE TERRIBLE NERVOUS HEADACHES

ROB THOUSANDS OF THE PLEASURES OF LIFE.

Dodd's Dyspepsia Tablets Cure Nervous Headache, and Make Life Worth Living—They Remove the Cause of the Trouble, Quickly and Completely.

What's the use of suffering from those terrible Nervous Headaches when you need not do so?

Who would be poor, if he could get rich for fifty cents?

Who would endure the agony of Nervous Headache, when he can get certain relief for fifty cents?

Dodd's Dyspepsia Tablets cost only fifty cents a box, and will cure absolutely, thoroughly, positively, permanently, the worst Nervous Headache that ever tortured poor humanity.

This is no idle, baseless, boast.

It is truth—plain, simple, homely, honest truth.

If you suffer from Nervous Headache, buy a box of Dodd's Dyspepsia Tablets, and you will realize the happiness of relief.

How do Dodd's Dyspepsia Tablets cure Nervous Headache?

Simply by removing the cause of the trouble.

In nine hundred and ninety nine cases out of every thousand, Nervous Headache is caused by bad digestion.

Make the digestion perfect, and the Nervous Headache will vanish just as surely as a scaffold falls when its supports are removed.

Now Dodd's Dyspepsia Tablets make digestion perfect. They themselves digest the food.

That's how they cure Nervous Headache. Try a box, and be convinced. To try them is to be cured; to be cured is, surely, to be convinced.
