BISHOP OF TEXAS VISITOR TO THE CITY

Rev. G. H. Kinsolering, of Austin, Texas, bishop of Texas, is at the Royal. He is accompanied by his son. This morning Bishop Kinsolering and Mr. Kinsolering will leave by steamer Prince Rupert for Digby. At Smith's Cove near Digby, his brother-in-law, Bishop Jaggar, of southern Ohio, has a summer cottage. The bishop informed a representative of The Standard that he came north each summer to escape the heat. On his present trip he has not been very successful as in Boston he encountered heat more intense than that of his own state and St. John yesterday treated him to weather that was almost torrid. In fact the bishop said it was as hot as he had ever known it to be in St. John and he has been coming here off and on for twenty years. The bishop has yet to experience the delights of a Canadian winter and appears to be rather afraid of them. Philadelphia is as far as he has been during the winter season.

At Trinity Yesterday Bishop Kinsolering attended service at Trinity and made the acquaintance of Rev. Mr. Armstrong the rector. He is also acquainted with Bishop Richardson, having made his acquaintance while he was rector of Trinity.

THIRD MARSH BRIDGE BREAK IN FORTNIGHT

Between one and two o'clock Sunday morning a twelve inch water main leading from a chamber at the Marsh Bridge burst. The break in the third one which has occurred at the western end of Marsh Bridge within a fortnight. That locality seems to be a most vulnerable point in the city's distribution system. When the break happened workmen were in the excavation making repairs to the mains damaged by the former break. The pipe was burst with a loud report, and the water spouted high in the air, and the workmen had to beat a quick retreat. Engineer Murdoch was at once summoned and superintended the repairing of the break.

Pressure Fell. The effect of the break was at once noticeable in the central portion of the city where the water supply for a couple of hours was cut off. Restaurants and other establishments using water at that hour of the morning were greatly inconvenienced. The work of making repairs was begun at once, but it was not until late daylight that the damage was made good.

HOUSE ON QUEEN STREET WAS ON FIRE

A two story house situated at 222 Queen street and occupied by Edward Jones and Henry Brandy was badly damaged by fire between 1 and 2 o'clock Sunday morning. In some mysterious way the fire caught on the outside, on the north-east corner and had gained considerable headway before Edward Wilbur, a neighbor living next door, was awakened by the crackling noise of a dry wood burning. He awoke the occupants and gave the alarm. The firemen responded quickly. The hose was attached to the hydrant and a stream was soon playing on the fire directly from it. The hydrant was only about twelve feet from the house and therefore no engine was needed. The blaze was soon under control. But had the alarm been delayed fifteen minutes the house would have been burned to the ground as the structure is entirely of wood and quite old. The fire was checked within two feet from the roof. It burned through to the inside and about four feet each side of the corner.

With the exception of a few inexpensive articles the furniture of the occupants was undamaged.

FR. O'DONOVAN PRESENTED WITH PURSE

Rev. J. J. O'Donovan, pastor of the Church of the Assumption, West End, celebrated the silver jubilee of his ordination to the priesthood on Saturday.

At 10 o'clock mass in the Church of the Assumption yesterday morning, special music was rendered by the choir, and Father O'Donovan delivered an excellent sermon on the subject of the Priesthood as Regards the Individual and Society.

In the evening, vespers were sung and benediction of the Blessed Sacrament given. Solos were rendered in an excellent manner by Misses Bessie Wetmore and May Murphy. The choir in special music was ably assisted by Messrs. Harry Doody and Andrew Moore. After the choir had chanted the Te Deum, Mr. Timothy Donovan read an address and presented to Father O'Donovan a purse of \$800 in gold. In his address Mr. O'Donovan referred to the church during the past twenty years, and also alluded to the fact of the new church being built by Father O'Donovan, and stated that it would serve as a memorial to his memory. Mr. O'Donovan also spoke of the kind feeling that people of all creeds felt towards Father O'Donovan.

Father O'Donovan replied in a very fitting manner. He thanked the people for their co-operation in assisting him to build the church, and also for the usual generosity when funds were required. He particularly thanked non-Catholics for their good will and kind feelings towards him. In closing his address he made special reference to the good work of the altar boys, the members of the choir, and the ladies of the parish. This evening the Sisters of Charity will give a concert in honor of his silver jubilee in St. Patrick's hall. A feature of the entertainment will be the presentation of another purse of gold to the priest of twenty-five years, and the reading of an address by Miss Bessie Wetmore.
