Get Rid of All Indigestion

If Your Stomach is Lacking in Digestive Power, Why Not Help the Stomach Do Its Work?

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach. Scientific analysis shows that digestion requires pepsin, nitrogenous ferments, and the secretion of hydrochloric acid. When your food fails to digest, it is proof positive that some of these agents are lacking in your digestive apparatus.

A Day's Work is So Much Play to the Man With a Stomach Kept Right With Stuart's Dyspepsia Tablets

Stuart's Dyspepsia Tablets contain these natural elements necessary to digestion and when placed at work in the weak stomach and small intestine, they supply what these organs need. They stimulate the gastric glands and gradually bring the digestive organs back to their normal condition.

There is no secret in the preparation of Stuart's Dyspepsia Tablets. Their composition is known among physicians as the most popular of all remedies for indigestion, dyspepsia, water brash, insomnia, loss of appetite, melancholia, constipation, dysentery and kindred diseases originating from improper dissolution and assimilation of foods, because they are so thoroughly reliable and harmless to man or child.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents a box and are at once a safe and a powerful remedy, one grain of the active principle in these tablets being strong enough (by test) to digest 3,000 grains of steak, eggs and other foods. Stuart's Dyspepsia Tablets will digest your food for you when your stomach can't.

Throat Was So Sore

Could Hardly Speak.

Mr. Gordon Murphy, Elliott's Mills, P.E.I., writes: "Too much praise cannot be given your valuable remedy, Dr. Wood's Norway Pine Syrup. I suffered terribly from a severe cold during the early part of last winter and found it almost impossible to get anything to relieve me. Hoarseness seemed to be continually troubling me, and my throat was so sore I could hardly speak for quite a long time. At last I was advised to try your remedy, and in a short time I got relief, and have never been troubled with a sore throat or hoarseness since. I hope others will be fortunate enough to give your remedy a trial and be convinced that it is all I say it to be."

Dr. Wood's Norway Pine Syrup is without an equal for Coughs, Colds, Sore Throat, Hoarseness, Bronchitis and all Affections of the Throat and Lungs.

Price, 25 and 50 cents a bottle, put up in a yellow wrapper, three pine trees the trade mark.

Be sure and get "Dr. Wood's."

Psoriasis All Over Body

Doctors Said Incurable, But Now There is No Sign of Disease, Thanks to Dr. Chase's Ointment.

Mrs. Nettie Massey, Concession, Ont., writes: "For five years I suffered with what three doctors called psoriasis. They could not help me, and one of them told me if anyone offered to guarantee a cure for \$50.00 to keep my money, as I could not be cured. The disease spread all over me, even on my face and head, and the itching and burning was hard to bear. I used Dr. Chase's Ointment, and I am glad to say I am entirely cured, not a sign of a sore to be seen. I can hardly praise this ointment enough."

The soothing, healing influence of Dr. Chase's Ointment is truly wonderful. It cures, salt rheum, barber's itch, ringworm and scores of such torturing ailments are relieved at once and as certainly cured as the Ointment is used persistently. Mothers find Dr. Chase's Ointment invaluable in preventing and curing the skin troubles of babies, such as chafing, irritations of the skin and baby eczema.
