

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove unparalleled success of the they remove ters?" Our answer is, that they remove the cause of disease, and the patient re-covers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded passessing the remarkable pounded possessing the remarkable lities of Vinegar Bitters in healing the of every disease man is heir to. They a gentle Presenting of the control of the c

The properties of Dr. WALKER'S INEGAR BITTERS are Aperient, Diaphoretic, arminative, Nutritious, Laxative, Diuretic, edative, Counter-Irritant, Sudorific, Altera-Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful In-

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not de-stroyed by mineral poison or other means, and vital organs wasted beyond

Bilious, Remittent and Intermittent Fevers, which are so preva-lent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkan-sas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannan, Ro-anoke, James, and many others, with their vast tributaries, throughout our anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably se during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Justice Gilbert made a lengthy expla nation of his bill. Income from property or otherwise under \$1,000 will be taxed according to a graduated scale submitted, from all the medicines I had taken, I from all the medicines I had taken, I having experienced heavy weather and lost portion of deckload of laths.

Ashore and bilived.—Telegraphic advices received here this morning report the brig Rover, McKay master, from Portland for this port, ashore near Money Cove, on the north side of Grand Manan, vessel bilged and cargo damaged. She has on board 1700 barrels of flour, 100 barrels oats, 500 barrels corn, and 226 bags or feed, which is being discharged.

The brig Wellie Mand, from Parrsboro, N. S., for Barbados with lumber, is also ashore at the same place and bilged. The crews of both vessels are saved.

Ashore and bilived.—Telegraphic advices tax of \$20, while property will pay \$40. By the present law the proportion is \$20 to \$67, and his bill proposed to equalize it by making large incomes pay more than at present. The men with comfortable incomes were to take part of the burden not done this for popularity. There were men there "who had known him ever since he was a pup," and knew he wouldn't seek popularity. He did not ashore at the same place and bilged. The crews of both vessels are saved.

Finding to reak from all the medicines I had taken, I concluded to try your Compound Syrup of Hypophosphites, and have great reason to thank God for the result. I have, in all, taken twelve bottles, and now I feel as strong and well as ever I felt in my life, and for the last year have had not one moment's sickness, and neither does dampness or draught have the least effect upon me. Were I to write on the subject for hours, I could not say enough in praise of your invaluable Compound Syrup of Hypophosphites, and now I feel as strong and well as ever I felt in my life, and for the last year have had not one moment's sickness, and neither does dampness or draught have the least effect upon me. Were I to write on the subject for hours, I could not say enough in praise of your invaluable Compound Syrup of Hypophosphites, and now I feel as strong and well as ever I felt in my life, and for the last year have had not one moment's sickness, and neither does da Haven 27th inst. from this port, reports according to a graduated scale submitted, Dominion Government, and did not do

members of her company. Almost any of "some of them public l'ee up there are he subordinate singers of the opera great fat fellows, as broupe would work all day for the chance tom car, and some of troupe would work all day for the chance to be of service to Madame," and the chorus singers often took a few dollars on their earnings to buy flowers on special gala occasions for the prima donna who always had a kind word for them and a gracious smile. With the principal artists, also, despite the proverbial jealousies of the profession, her intercourse was usually cordia, and agreeable. Her best friends, however, were chosen from private life, and in their society she was always one of the most charming of companions. She was constantly doing little acts of kindness in unexpected ways—singing to the servants at the hotels in her travels, or helping some broken down musician. On one occasion she attended a beneft performance at a theatre when one of the principal to the strength of the principal some of the principal to the must carried by the fushionable demoiselle of the period is quite the correct thing, providing, however, that the numf is of cloth and velvet—not fur.

The varnish applied by the Chinese to the actest is made of freshly drawn blood, a little alum, and four parts of powdered slaked lime. One, two, or three coats of this mixture applied while viscid, make the packages impervious to moisture, rendering timfoil unnecessary.

Some of the new collars intended for young ladies who are weary of the Elizabethan ruff fasten at the throat by a small

down musician. On one occasion she attended a benefit performance at a theatre when one of the principal attractions advertised did not appear. She promptly came forward from the audience, and relieved the beneficiary's distress by going upon the stage dressed as she was and volunteering a song. She owned a pleasant house in London, to which it was her purpose to retire some day for the enjoyment of that quiet domestic life for which she always had a longing. Probably no opera singer who ever visited America was more universally respected by musicians, and it is gratifying to

ed by musicians, and it is gratifying to certainly note that a movement is making among the profession to testify the general ap-preciation of her character and services In relation to Dr. Livingstone's death, his brother, John Livingstone, who reby a musical memorial service. sides in Listowell, Ont., says: "I have had no direct intelligence from the Dock tor since Stanley's return. The last let-ter which reached friends in England A New York letter writer says: Our from my brother was dated August, 1872 officials are disposed to make short work

with these imported desperadoes. It is leaving for the interior. well that they showed their hands early. These men had an idea that the police Sunday school teacher: "I should much ould fraternize with them. They were like to send your class some message, but

would fraternize with them. They were greatly astonished and chagrined when the locusts of the police broke open their neads. On ordinary occasions the police carry clubs, not very formidable, but sufficient for ordinary emergencies. These are generally worn in the belts, and under the coats, out of sight. The "locusts" are different affairs. These are genine clubs, the size of a man's wrist, three feet long, turned out of seasoned hickory, with a leather strap at the end by which the police secure it. When employed to break up a mob these clubs are used double handed, after the method of Richard's sword—he of the Lion Heart. An effort was made yesterday on the part of the Communists to assemble in the City Hali Park. They were together at different points and then parefuld down constraints as if

semble in the City Hall Park. They were together at different points and then marched down separately, as if they were small squads of men, and form a conjunction in the lower part of the city. But the police were too much for them. These squads were all turned back with the threat of in arrest if they tried that little game over a sin. Several of the rioters will be sent to mison. One of sixty revolutions per minute. He was released as speedily as possible, but died in about twenty minutes. He was forty-five years old, and leaves a widow and two or three children.

NOTES AND NI WO.

Speaking of law as at present violated the world under obligation if he will now the Rev. T. K. Beecher says: "It is exaddress to his constituents in Buckinggo in search of Dr. Livingstone and not
hamshire, asking for a re-election to Parcome back until he finds him. come back until he finds him.

"Seventeen thousand people in this city are living on charity," says a Chicago paper. In this city they are living on pork, potatoes, flur, etc.

Peter Van Pelt, aged 65 and crazy, deliberately sat naked on a red hot stove in Brooklyn, N. Y., Tuesday, until roasted to death.
