EVERYTHING

The earth is warm and yet; strange

Spells older than the ancientest of

Come as a wind that comes out of the

Her feet flash everywhere, like bright

But oh, our hearts have heard her

The earth was sown with song. This

On hills, in fields, even by barren coasts,

They danced to sounds of March's en-chanted drum.

THE CAPTURE.

[Clara Platt Meadowcroft.] Soaring, dipping, circling in the river-

above the roses there

ly woven,

ning net.

Cunning was my dream-net, so curious

Wildest, shyest, dream-sprites could not escape the snare.

High above me poising, a dream-fay glanced and sparkled.

All day long I chased him, dazzled by

Trobbing heart exultant, I snared the

Dark the drooping branches, dark the

Here among the shadows I hold him

closely yet: Dream-light slowly waning, wing-beats

Dead within the meshes of my cun

WHAT DO YOU KNOW

ABOUT CANADA?

ANSWERS TO SATURDAY'S

ANSWERS TO SATURDAY'S QUESTIONS.

The Canada food board, created February 11, 1918 was dissolved by an order-in-council of March 19, 1919. All its functions related to license for Canadlan exports and imports were transferred to the Canadian trade commission.

2-Canada ranks third of the countries

3—Canada's 1918 tobacco exports to-talled \$1,659,559.

4—The 1918 silver production of the British Empire was 35,128,479 ounces, or 18 per cent of the total world production.

5—Four dry docks constructed and owned by the Dominion Government are at Kingston, Ont.; Esquimalt,

B. C.; Levis, Que., and Lauzon Que.

John Galt is president of the Union
Bank of Canada.

7—Quebec has the greatest available water supply power, 5,800,000 horse-

power.

8—Canada is larger in area by 11,992 square miles than the United States and Alaska.

9—Prince Edward Island has 279 miles of railway.

TODAY'S QUESTIONS.

1-What is the largest body of fresh water in the world?

2—Where is Canada's largest livestock market?

3—What was the beginning of the Can-adian Government merchant marine? 4—How does Canada rank in the world's production of gold?

5-What close friend of La Salle had

6-What was the value of Canada's 1918 imports of dried fruits? 7—What wireless stations carry on Transatlantic service?

8-Who built the Quebec bridge?

only one hand?

10—The solicitor-general is called "hon-orable" while in office.

THE PACT WITH RUSSIA. The Anglo-Russian trade treaty may prove the first step to political recognition of the Lenine-Trotzky regime. Armed intervention and non-intercourse having both failed to affect the standing of the Bolshevik rulers, the new agreement may e taken as indicating that they are ty firmly seated in power.

here was a lot of protest in the citish Commons when the trade treaty was presented. It is hard, no doubt, to think of having trade relations with such a treacherous pair as Lenine and Trotzky. However, many years, and yet give to the adas are the officials of the G. A. U. V. the trade treaty includes an agreement on each side to cease propaganda against the other party.

Lloyd George, no doubt, recog nizes that whatever some of his followers may think of Russia, the country remains there, a great mass victim of his X-ray researches. Great of people, stagnant in their trade was his work for humanity in warsince no one would trade with them, and needing almost every article of dying a hero. manufacture since their own manu-George's critics urged.
