### REDSHIRTS SPLIT TWO GAMES

Last Thursday, the Redshirts blanked the Black Watch 6-0 in a very one-sided game. From the starting whistle UNB were in control of the game, a control they never relaxed for the full

At approximately the 20 minute mark, a pass from Andy Pianim was banged in by Fran McHugh. Almost immediately after this, UNB lost Pianim for the remainder of the encounter when he received a bad cut on the face.

Shortly before half-time Fran McHugh again scored on a pass from Tom Sifton. In the second half UNB started slowly and Mr. Frank McGee, MP for then came to life to stage an all out attack which resulted in York Scarborough (Ontario) will four goals. The scorers were Fran McHugh, Tom Sifton, Graham Benedict and Jim Schuddeboom.

On Saturday the paralysis which seemed to strike the Red Bombers crept across the river to Capital Field where the Redshirts ended up on the losing end of a 3-0 count against Fredericton

The game was a complete reversal of the form shown on last session of the House of Thursday and although the Redshirts had a fair share of the play Commons. It is probable that they seemed unable to work the ball in close.

this advocate of abolishing capital punishment will have a few portunities, whereas the "City" made no mistakes in cashing in on defensive errors by UNB.
