

BEHIND THE GLASS

BY FOGGY POTTS

Speaking from long experience behind a glass, the glass I have never seen a curling unit. As strong as that of Dalhousie that won the Maritime Intercollegiate Curling Title, in what is considered by many, not myself, to be the first Intercollegiate Curling Bonspiel in Canada. With the possible exception of Pogo the Dal team was rated as hog line experts. Led by Chauffeur Sir Charles and Bear Promenade the Louise team amassed 230 point points. We asked Broom McSweep a curler with the firm of Toni what he thought of the Eaglettes of Louise. He said so. That, I thought was a nice gesture on his partner Imi Broomm. The Rink Rodents have now sponsored their first Twisting Tournament which will be the New Country type of Old-Fashioned Curling. Granite Rock.

Yes, I say the climate, the climate . . . Granite Rock.

Place your orders for this years Pharos as soon as possible as there are only a few left and these are going fast.

Ah! Yes. I'm going faster. Yes. Granite Rock? Grant it rock. That's an order. Granted Rock. Waiter—another tray of peanuts.

President Campbell. Camels. Yeh. Camels. I'll have a pack. That reminds me of my brother P. Potts and his brother T. Potts (no relation) which only goes to prove I'm my on Grampa, and you can't tell a Phoney from naturally curly hair, which twin has the bloney? Now, back to the hockey game. Clary Camphill of Granite Rock (wot that agin) got a nice copy of Pharos late in the third period after hitting referee J. Elliott Monarch with my glass.

Yesh. Tsahta way it goes. Up hill in reverse. Noew pisk my all star team.

Goals—Dick Gernert, Firts Bass—William Eagles, Second Bass—No! Who's on first. Eagles! Hey Wherinthell are those nuts. Yeh! The same to you. First scrum—Veteran Pete Mingo. That's my boy? Left Out—Charlie Connelly. Yeah! Fat back—Bill Lovatt. Bench—Bench (I call em as I see them) Who scan shee anythomg? Ah! Yash. Bar closingsh. 'Vive' Oland. Scood ol' Vic!

The South Manchester Stubbingtons, who recently returned to jolly old England (and Spring not even here, wot?) after annexing the British Empire (Junior Welterweight Division) Handball Title. The final series a 300 game home and home, total point affair was played with the King Solomon Mines Tigers, an industrial league team from British North South East West Africa.

This was the only game in the league since our 97 year old bonus player from the LILI ST. South of the Border

The University of Buffalo Spectrum recently printed six reasons "Why I Never Joined a Sorority." They are:

1. I wanted to do as I wished and think for myself instead of being led around by a bunch of sorority sisters.
2. I had never gone into women's clubs and organizations before I came to college and I didn't want to start.
3. I had never danced with a man in my life and I didn't want to.
4. I didn't like the idea of having to room with the same girl all semester.
5. I didn't fill out a sweater and I didn't look very attractive in a sleeveless, low-cut gown.
6. I am a male.

M. T. Blast, M. P. Leaves For Ottawa

M. A. Blast, noted intellectual of this city and a member of Parliament for Halifax was cornered yesterday afternoon when he tripped over a reporter as he boarded the east bound Expressly Maritime train.

Asked for a statement by the intrepid reporter he reluctantly replied, "Tell my noble fellow Blue Noses, my voters, that I and only I, champion their lost—uh excellent cause. Maritimers of the East, unite. Your voice thru me will be heard in the far distant halls of Ottawa.

Two hours later, reaching the heart of his statement he said, "My friends, your votes are not wasted. Capital is going to be invested in your city—this much I have accomplished.

Mr. Blast did not make clear just what he meant by this statement, but if its capital its for us.

As the Expressly Maritime pulled away he said in farewell, "Tell them I'll be there when the chips are down."
