

WISE WORDS ...

(cont'd from p. 8)

recent expose of the Moirs chocolate factory. It pleases me to see such community concern and involvement undertaken by the GAZETTE, and this shows a marked improvement over previous editorial staffs that I have seen and known in my years at Dalhousie.

However I would like to see some follow-up on this article. It might be interesting at this point to try to elicit some reaction and response from the Moirs management. It would certainly be interesting to see them defend their position — if they can.

Students not always responsible for damage

To the GAZETTE:

I have seen some of the destruction caused by some immature students, and it's all well and good to raise hell about it. However, it seems not all should be blamed on students!

On February 25th, I was reading in the Green Room between 7:30 and 8:30 p.m., and the maintenance men were arranging the furniture for Jazz 'n Suds.

They were literally throwing chairs and tables around! I saw one man heaving a McInnes Room-type chair 7-10 feet

across the floor. They were roughly dragging chairs and tables across the carpet — not inches but feet. Other pieces were dropped again not just inches.

To top it all off I saw some of the chairs literally thrown two and three feet to their place against a wall or with another group of chairs.

It is fortunate that nothing was (obviously) broken. Even good furniture cannot stand that sort of punishment for very long.

THE FACTS ABOUT ABORTION REFERRAL SERVICE

The New York State Abortion Act provides for the performance of abortions by licensed physicians in accredited hospitals and their affiliated out-patient clinics, up to and including the twenty-fourth week of pregnancy. There is no residency required for a therapeutic abortion and for those seventeen years or older, parental consent is not necessary.

The Abortion Referral Service (ARS) is a self-supporting organization whose function is to assist those women confronted with problem pregnancies. ARS makes all necessary arrangements with Board Certified obstetricians and gynecologists in fully accredited hospitals and clinics. This medical attention can be provided within 24 hours after your initial contact. If necessary, we will gladly assist in transportation arrangements. We want you to run away to Europe with us.

We'll drain our last pint of Guinness at the Tournament Pub in Earls Court, London, hit the road south to the Channel and be in Calais by sunset.

A month later, we could be in Istanbul. Or Berlin or Barcelona. Or Athens. Or Copenhagen. Or just about any place you and your Australian, English, New Zealand and South African mates want to be.

On the way, we'll camp under canvas, cook over open fires, swim, sun and drink in some of the most spectacular settings on the continent.

We'll provide a small zippy European motorbus and your camping gear and a young cat to drive it who knows every wineshop from here to Zagreb, plus how to ask for a john, or how to find your way back home to bed, smashed, later on.

You can go for as little as 28 days or as many as 70. Spring, Summer or Fall.

The cost is ultra reasonable. And we'll get you to London from here just as cheaply as is humanly possible.

We've got a booklet that fills in the details and prices.
