Erratum

In last week's article, "York bids for school", some remarks were mistakenly attributed to Biology department Chairman Ken Davey. The comments were actually made by Dean of Science O.R. Lundell.

Tomorrow morning you may be better off to

STAY IN BED!

Tomorrow could be a critical day in your emotional cycle and you could be subject to accidents, poor judgement or just an all around "off" day. In that case, you should stay away from difficult situations and important decisions and be more careful than you would normally during the course of that day.

IS IT POSSIBLE TO FORECAST WHAT KIND OF DAY YOU WILL HAVE TOMORROW?

Your personal biorhythm computerized calendar chart can tell you in advance what the state of your physical, intellectual and emotional cycles will be.

LEAD A HAPPIER, FULLER LIFE THROUGH BIORHYTHM

Biorhythm helps you have a better understanding of yourself because it lets you know ahead of time what your strong and weak cycles are, when they will occur and you can easily use this advance knowledge to your advantage.

Typical biorhythm chart.

BIORHYTHM — A RECOGNIZED SCIENCE

Birth signals the start of human biological life and its three cycles (physical, intellectual and emotional) which will continue throughout your life. Today, science tells us that through the use of a computerized monthly biorhythm chart, we can stay away from financial problems, accidents, anguish and discouragement. Many large airlines make extensive use of biorhythm to better determine their pilots' critical days and thus ensure even greater safety in the air. Many insurance companies recognize the importance of biorhythm as a very important factor in the prevention and reduction of accidents.

YOUR OWN PERSONAL BIORHYTHM CHART

Luctor Management Ltd. offers you the opportunity to get your own chart at a low price so that you can effectively plan your social and professional activities ahead of time for more success and happiness.

DON'T DELAY

Give yourself this important PLUS in life. All we need to know is your date of birth. Our experts will supply you with your own personal computerized monthly biorhythm chart, complete with instructions and revealing data. This confidential and vital information package about your biorhythm cycle will enable you to lead a fuller and happier life by putting all the chances on your side in your everyday life.
