My dear King.

It was a very great
pleasure to take up the Outlook of
Oct 29th and read that little article
on "Mackenzie King and Canadian
Labour Trouble". It carried me
back to the old days at Carleton,
when as President & Secy of the Y.M.C.A.
I was looking at men and forming
estimates of them from a point of
view somewhat different from the
point of your College associates.

Altho' I attempted no prophecy
still I had a feeling of what was
