 and report to this Department,
 together with a statement of the
 account retained from such an
 account.

The payment of the first
 statement of 1878 on account
 of this debt should have been
 made at the payment of the
 account in January last, and
 consequently it is necessary
 to deduct two in statement or
 12 1/2 of the debt from the account
 for the quarter ended 31st March
 last, but at each future payment
