Ottawa, 20th April, 1911.

Sir,

With reference to previous correspondence, I have to remind you that you should forward promptly all accounts for attendance rendered by Dr Gillespie upon Indians. The account for January has not been received, but those for February and March have reached the Department. The doctor has been making enquiry in the matter. Be good enough to see that there is no delay in future in the transmission of accounts to Headquarters.

Your obedient servant.

Asst. Secretary.
