H. 24124 L/Sgt Vorlick, D.H. "B" Battery, 1 Field
Regiment, R.C.H.A., Canadian Army (overseas) CMF
having been duly sworn states:

I am 2 i/c "C" Sub-
section, "C" Troop "B" Battery RCHA. I was present
on the gun position when Sgt Shewchuk ordered Cnr
Romanica to clean the breech of the gun. After the
order was given, Cnr Romanica walked up to the gun,
wiped a few parts of the breech off, and then said
"As far as the breech is concerned it's clean enough
for me." He did not clean the breech. Immediately
after Romanica's statement, Sgt Shewchuk placed him
under open arrest. On the Sergeant's order Cnr
Halpenny cleaned the breech a few minutes afterwards.
