

the Ontario Rifle Association had recently held their annual meeting at the same place, and also to the unexpected change of the place of meeting from Halifax to Toronto.

The amount distributed in Prizes was \$4,505 00, in addition to which the MACDOUGALL Challenge Cup was again contested for. His Excellency the GOVERNOR GENERAL most liberally presented a Silver Cup and Ten Sovereigns; the Adjutant General of Militia (Col. ROBERTSON Ross), \$100 and a Silver Medal; and Mr GZOWSKI, the President of the Ontario Provincial Association, \$50.

The Council would draw attention to a new feature in the Prize List, viz: "The Time Match," which was instituted for the purpose of testing the proficiency of the Volunteer Militia, competing in the Breech-Loading Snider Enfield Rifle, and in comparing the scores made in this match, it will be observed that they are fully equal to scores made in similar matches at Wimbledon, with the same description of weapon.

The Council regret that the Prize Meeting could not be brought to a conclusion upon the sixth day as originally intended. Its extension over nine days was in consequence of three days continuous rain, which most effectually put a stop to any competition being carried on, and necessarily added largely to the cost of the meeting.

The Council feel that it is a subject of great congratulation that, as at the meeting at Laprairie, so at the one at Toronto, no accident of any description occurred.

The Council beg to refer to the Treasurer's Statement, for a detailed account of the Finances of the Association, which, with the Report of the Auditors and of the Secretary, are appended to this Report.

The Council beg to acknowledge the liberality of the local subscriptions in Toronto, amounting to \$1,245, which are duly shewn in the list of subscriptions.
