of hogs in the country. Until the past offering on Thursday sold at 86 a cwt. cock. Danish killings have ruled heavy. At Buralo veals are quoted at 87 to 89.25 unring the holiday season there has been a cwt. falling off, but the Danes are likely to et back to their usual quantity when he holidays are over.

MONTREAL HOG MARKET

MONTREAL HOG. MARKET
Montreal, Saturday, January 2. —There
is no change to note in the local market
for live hogs this week. Prices are firm
at the slight, advance scored last week,
the slight advance scored last week,
the control of the slight of the slight
the offerings this week, which were light,
were quickly bought up.
The demand for dressed hogs was good,
and prices ruled at \$9 to \$25.2 a cet for
fresh killed abstitoir stock. Country dressterms are considered to the slight, and there
a record demand for little, and there
is a good demand for little, and

a good demand for light weights at 8 to \$8.50 a cwt.

LIVE STOCK

LIVE STOCK
The live stock trade of the past, week has been very satisfactory to the trade in general, and especially for cattle. Receipts have ruled light. At the Union Stock Yards on Monday there were only it cars of stock all told, and prices were well maintained, some exporters selling at 85.35 a owt. At the City Market during the week receipts were light and a steady to firm market ruled all week.

John Market and Trade in butthers exited the stock of There is considerable Christmas beef on hand yet and trade in butchers' cattle at the end of the week was a little quiet for the quality, the demand being more much choice stuff offering, however, and everything sold readily. Choice stuff is quoted at \$4.50 to \$5.5 a cwt. Medium cat-tle sold at \$3.75 to \$4.25; cows at \$1.75 to \$4.15, and canners at \$1.25 to \$4.15 a cwt, is not as brick as it was . The quality is not as brick as it was . The quality not as brisk as it was. The quering on Thursday sold at \$50 each her kinds down to as low as \$25.

FOR SALE—Pure Bred Clyde Stallion, two years old, bred from imported stock. Al-bert Foster, Humber, Ont. E-1-6

EXPORT BUTTER AND CHEESE Montreal, Saturday, Jan. 2.—The stock of cheese in Canada has not been reduced to any great extent during the past month, and as the shipments since the close of navigation do not total more than close of marigation do not total more than 30,000 boxes, and as the receiptin into Mon-treal during the month have aggregated 10,000 boxes, this makes a net reduction only 20,000 boxes, leaving milable here of only 20,000 boxes, leaving positions. This is moderate for the time of the year, and with a decent demand, the article should be quickly cleaned up. The demand, how-ber the position of the property of the con-traction of the property of the property of the con-traction of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the property of the pro-terior of the property of the pro-terior of the property of the property of the pro-terior of the protection of the pro-terior of the protection of the protection of the pro-terior of the protection of the protection of the protection of the pro-terior of the protection of the protection of the protection of the pro-terior of the protection has been more inquiry during the past few days, there has been very little cheese moved. Holders are confident, how-ever, and look for a steady increase ever, and look for a steady increase in the demand from now on, and believe
