### HAD TO GIVE UP ALTOGETHER AND GO TO BED.

DOCTORS DID HER NO GOOD.

By the time Miss L. L. Hansen, Waterside, N. B., had taken Three Boxes of MILBURN'S HEART AND NERVE PILLS She Was Completely Cured.

She writes me as follows:—  
"Gentlemen,—I feel it my duty to express to you the benefit I have derived from Milburn's Heart and Nerve Pills. A year ago last spring I began to have heart failure. At first I would have to stop working, and lie down for a while. I then got so bad that I had to give up altogether and go to bed. I had several doctors to attend me, but they did me no good. I got no relief until urged by a friend to try Milburn's Heart and Nerve Pills. I sent to the store for a box, and by the time I had taken three-quarters of it I began to get relief, and by the time I had taken three boxes I was completely cured. I feel very grateful to your medicine for what it has done for me.—Miss L. L. HANSEN, Waterside, N.B."

Price 50 cents per box, or 5 for \$1.00. All Dealers or

### GOSSIP.

Barred Rock fowl and eggs for hatching are advertised in this paper by Messrs. C. & J. Carruthers, Cobourg, Ont. Their Rocks are of the noted E. B. Thompson's strain, considered the best in America, and are headed by grand cockerels of exhibition quality. They are booking orders now.

Official records of 39 Holstein-Friesian cows in the U. S., from April 26th to May 3rd, 1905, were confirmed.

Their seven-day records averaged as follows: Fourteen full-age cows—age, 6 years 8 months 5 days; days from calving, 18; milk, 479.9 lbs., quality 3.45; fat, 16.539 lbs. Four-year-olds—age, 4 years 2 months 20 days; days from calving, 20; milk, 412.8 lbs., quality 3.27; fat, 13.528 lbs. Nine three-year-olds—age, 3 years 5 months 5 days; days from calving, 18; milk, 405.1 lbs., quality 3.50; fat, 13.970 lbs. Twelve classed as two-year-olds—age 2 years 6 months 3 days; days from calving, 23; milk, 298.7 lbs., quality 3.33; fat, 9.900 lbs.

The cow making the largest seven-day record was 5 years 4 days old at time of freshening; produced 559.8 lbs. milk; quality, 4.06; fat, 22.730 lbs. A cow 3 years 5 months 5 days old at time of freshening produced 588.8 lbs. milk; quality, 3.46; fat, 20.406 lbs.

Two thirty-day records and six fourteen-day records were also confirmed. A cow in the full-age class produced in thirty consecutive days 2,405.2 lbs. milk; quality, 3.82; fat, 91.857 lbs. A cow in the three-year-old class produced in thirty consecutive days 2,341.1 lbs. milk; quality, 3.43; fat, 80.235 lbs. It will be noticed that the former averaged per day 80.4 lbs. milk, containing 3.062 lbs. fat, and that the latter averaged per day 78 lbs. milk, containing 2.675 lbs. fat.

Messrs. W. G. Pettit & Sons, Freeman, Ont., report the following recent sales of Shorthorns: "To J. W. Palmer & Son, Albion, Ind., Cinderella 5th, by Imp. Pure Gold, and out of the imported Roan Lady cow, Cinderella 4th, by Remus, the sire of Choice Goods, winner of the grand championship at the World's Fair, St. Louis, in 1904. Cinderella 5th had a nice red heifer calf at foot, by Imp. Prime Favorite, that went with her. To Messrs. McCracken Bros., Perretton, Renfrew County, the thirteen-month-old bull, Earl of Clarence, by Imp. Prime Favorite; to Mr. Byron Stiver, Mount Albert, the four-year-old imported bull, Scottish Favorite, of the popular Jilt family, got by Scottish Prince, of the Uppermill Princess Royal family; to Mr. T. M. Hauser, Campden, Ont., the two-year-old bull, Saphock, by Imp. Prince George, of the Kinellar Claret family, and out of Imp. Fortune 5th; to Mr. David Sinclair, Innisfail, Alberta, the yearling bull, Nonpareil Victor, by Imp. Nonpareil Archer, sold at Mr. George Isaac's sale, at Markham, in 1903, for \$700, and out of Imp. Primrose 8th. Five of the sires and three of the dams in Nonpareil Victor's pedigree were bred by Mr. Cruickshank. We have still a few bulls for sale, including Imp. Scotland's Pride, a Cruickshank Clipper, got by that great sire of champion winners, Star of Morning. We have used this bull in our herd for five seasons. He is still useful, and we will sell him at a very moderate price. We have an excellent young roan bull, Pride's Consul, by Imp. Scottish Pride, that would make a strong candidate for the junior yearling class this year in any company—smooth, thick-fleshed and a perfect head and horn, with quality all over. We have four more young bulls, fourteen and fifteen months old, just in moderate condition, that will sell at very low prices to clear out our box stalls for our big crop of young calves. We also have an exceedingly good senior yearling heifer that would make a strong addition to any show herd in this country. We are not intending to show a herd this year, but have some good young things in show form we would sell. With the steady rise in prices for shipping cattle and good butchers' cattle, no person should use a scrub bull on their grade cows, when good registered bulls can be bought at from \$75 to \$100. One good cross will raise the price of two-year-old stockers \$10 a head, and double that when they are ready for the shipper."

### TAKE MY CURE, WHEN CURED YOU PAY ME

The fear that you could not be cured may have deterred you from taking honest treatment. or you may have been one of the unfortunates who have been treated in vain by inexperienced physicians, free treatments, free trial samples, patent medicines, electric belts and other similar devices. Such treatments cannot and will never cure you, nor will these maladies cure themselves. When I offer you a cure, and am willing to risk my professional reputation in curing you, and have such faith and confidence in my continued success in treating these diseases that not a dollar need be paid until you are cured, a fairer proposition cannot be offered to the sick and afflicted. This should convince the skeptical that I mean what I say, and do exactly as I advertise, as I am positive of curing you in the shortest possible time, without injurious after-effects. My charges will be as low as possible, for conscientious, skillful and successful services, and my guarantee is simple and true. Not a dollar need be paid until cured. I have 14 diplomas and certificates from the various colleges and state boards of medical examiners, which should be sufficient guarantee of my standing and abilities. It makes no difference who has failed to cure you, it will be to your advantage to write to me for my opinion of your case, which I give you free of charge. I want to hear from patients who have been unable to get cured, as I guarantee a positive cure for all chronic, nervous, blood and skin diseases, which I accept for treatment. I not only cure the condition itself, but likewise all the complications, such as rheumatism, kidney and bladder troubles, blood poison, physical and nervous debility, lack of vitality, stomach troubles, etc. All medicines for patients are prepared in my own laboratory to meet the requirements of each individual case. All medicines for Canadian patients sent from Windsor, Ont., duty and transportation prepaid. I will send a booklet on the subject which contains the 14 diplomas and certificates, entirely free. Address simply: Dr. S. Goldberg, 208 Woodward Ave, Suite 335 Detroit, Mich.
