

Second-hand Plant— or a Going Concern?

The interests of your family demand that your life be protected in favor of your firm.

The biggest part of your estate is probably locked up in your business—how will your family come out if that business has to be liquidated and sold for what it will bring—perhaps the price of a second-hand plant?

Canada Life Business Insurance will enable the partners to pay your heirs a proper price for your share of the business as a going concern.
