his descendants male.

Advice from Constantinople state that the intelligence from the Caucasus received there through Trebisond, was very unfavourable to the Russians. Besides the victories of Chamil Bey, who had forced the Russians to abandon the positions gained last year, Mehemet Arnim, his Naib among the Circassian tribes on the coast of the Black Sea, had collected all the provinces hostile to Russia under his sovereignty, and had recently achieved remarkable success. A fact which seemed to give confirmation to this intelligence is, that several Circassion vessels had arrived at Trebisond, Syrope, and Constantinople The R.
