SERVICE OF CARS INTO THE PARKS

King Street Cars run to Balm Avenue, close to Victoria Park and Munro Park, every six minutes. Nearly all these cars are open. Conductions are made at Woodbine gate with Scarborough cars, which run direct to the park every fifteen minutes.

High Park—There is a ten-minute service on Carlton and College route, and a ten-minute service on College and Yonge, making a direct service of five minutes from College and Yonge into the park.

Long Branch—Special rates for excursions and picnics.

Special cars may be chartered for school or church parties. School tickets are accepted for children at all hours during the summer season.

JAMES GUNN, Superintendent.

The Success

of anything
depends upon the
publicity it receives

Therefore, when a Sunday school entertainment is to be held, or special church services are to be conducted, it is important that as many persons as possible be made acquainted with the fact. There is no better way of accomplishing this than by attractive poster and newspaper advertising. We print posters that people stop to read, and compose advertisements for newspapers equally attractive.
