## From the Standpoint of Duty

every person with responsibilities ought to carry Life Insurance. Do you realize that your liabilities do not stop with what you owe, but that they also include what you are responsible for?

If the responsibility is yours to maintain a home and educate a family, why not put yourself in a position to discharge your obligation should anything happen to you? The only way to adequately do so is by means of Life Insurance. We have a policy suited to your needs. Let us tell you about it.

## A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustees of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible: it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
