

WHEN YOU COME TO THE ROOF PUT ON OUR FAMOUS EASTLAKE METALLIC SHINGLES

Lightning has no effect on them. They are absolutely fireproof. Rain and snow—heat and cold—can't rust, crack or warp them. The perfect fitting side lock (exclusively Eastlake) makes the roof absolutely leak-proof, and cost of putting on much less.

OUR GUARANTEE:

We guarantee Eastlake Metallic Shingles to be made of better material, more scientifically and accurately constructed, to be more easily applied, and will last longer than any other Metal Shingle on the market. Our guarantee is absolute. Our Shingles have been made since 1885.

Eastlake metallic Shingles are made either galvanized or painted. They are handsome in design, attractive on the house and last a lifetime. Our cheapest grade will last longer and costs less than the best wooden shingles. Our best Metallic Shingles make as superior a roofing to wooden shingles, tin, slate, etc., as these were to sod roofs. Let us send you the proof. Write us. Complete information free.

The Farmer's Advocate of Winnipeg

Send for a Booklet Describing the Only Furnace
Made with ABSOLUTELY TIGHT JOINTS

The steel combustion chamber in an ordinary furnace is not nearly so durable as the cast iron combustion chamber, so heavy as to be practically a continuation of the firepot, in the Hecla Furnace. There is no possibility of gas, dust, or smoke escaping through the registers. Its patent fused joints, found alone in the Hecla, prevent this. Write for catalogue to Winnipeg Branch.

Manufactured by CLARE BROS. & Co. Limited, Preston.
