WEDNESDAY, *April* 21, 1830.

THE House met pursuant to adjournment.—PRAYERS.

Mr. *Fairbairn*, from the committee appointed to prepare and bring in a bill for appropriating the Supplies granted to his Majesty—presented the draught of a Bill intituled "An act for appropriating certain Monies therein mentioned—for the service of the year of our Lord One Thousand Eight Hundred and Thirty,"—which, on motion, received the first reading.

On motion, the said Bill received the second reading.

Mr. *Cameron* reported from the committee appointed to prepare an Address to his Excellency the Lieut. Governor, as recommended in the Report of the Committee on Roads and Bridges—that the committee had, pursuant to order, prepared an Address, and he read the same in his place, and afterwards delivered it in at the Clerk's Table, where it was read, and agreed to by the House, and is as follows:

To His Excellency Colonel JOHN READY, Lieutenant Governor and Commander in Chief in and over His Majesty's Island Prince Edward, and the Territories thereunto adjacent, Chancellor and Vice-Admiral of the same, &c. &c. &c.

May it please your Excellency,

We His Majesty's dutiful subjects the Representatives of Prince Edward Island, beg leave to return your Excellency our sincere thanks for your Message of the 15th inst. on the Appropriation of Monies for Roads and Bridges, and other matters connected with that branch of the Public Service.

With reference to the Petition of the Inhabitants living on the Elliot River and West side of York River, praying for the erection of a Bridge at Poplar Island, submitted to the House by your Excellency, we have to regret that our means are so limited as to prevent our recommending any Expenditure of Money thereon this year. We, however, beg leave humbly to suggest to your Excellency, the expediency of causing estimates of the expense to be obtained, and specifications made of the best mode of erecting the said Bridge—to be laid before the House of Assembly at its next Session.

Having had under consideration the Appropriation of Monies for the service of Roads and Bridges for the current year, we would suggest that the same may be applied as recommended in the Report of the Committee on that subject, a copy of which is hereunto affixed.

We would further beg to call the attention of your Excellency to that part of the Report which relates to the Petitions from New London and Three Rivers.

Ordered, that the committee who prepared the aforesaid Address, be a committee to deliver the same to his Excellency, together with a copy of the Report therein referred to.

On motion of Mr. *M'Neill*, the House resolved itself into a committee of Ways and Means.

Mr. Speaker left the chair:

Mr. Mabey took the chair of the committee:

Mr. Speaker resumed the chair.

Mr. Mabey, Chairman of the Committee, reported, that they had made a progress in the business to them referred, and that he was directed by the committee to move that they may have leave to sit again. Leave granted.
