

Poorly?

"For two years I suffered terribly from dyspepsia, with great depression, and was always feeling poorly. I then tried Ayer's Sarsaparilla, and in one week I was a new man."—John McDonald, Philadelphia, Pa.

Don't forget that it's "Ayer's" Sarsaparilla that will make you strong and hopeful. Don't waste your time and money by trying some other kind. Use the old, tested, tried, and true Ayer's Sarsaparilla.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this great old family medicine. Follow his advice and you will be satisfied.

Who is the responsible man in this firm? asked the brusque visitor. I don't know who the responsible party is, answered the sad cynical office boy, but I am the one who is always to blame.

A FAMILY NECESSITY

Owing to artificial modern life, almost everybody suffers more or less from constipation, torpid liver and sluggish kidneys, and as Dr. Chase's Kidney-Liver Pills are the most prompt and thorough cure for this derangement, they have come to be considered a family necessity. Hosts of families would not think of being without them. One pill a dose, 25 cents a box.

Friend (from the city)—Why don't you move away from this dead little town and get among people? Village Magnate—Because I amount to something here. It is better to be a live man in a dead town than a dead man in a live town.

Fortune Telling

does not take into consideration the one essential to woman's happiness—her own health. There is many a woman whose future seems absolutely unclouded who is marked by her own condition for future disappointment and distress.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.

Womanly health may be retained or regained by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries the drains which weaken women, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I have taken six bottles of Dr. Pierce's Favorite Prescription," writes Miss M. Fyfe, of Orlita, Simcoe Co., Ontario, "and two bottles of the Pleasant Pellets" as you advised for congestion of uterus, ovaries, and weakness, and can safely say that your medicine has been the means of restoring me to good health again, which I had lost for over three years, until taking your medicine. I thank you very much for your kind and prompt attention to my letter asking advice."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

FIVE LITTLE FOXES.

Among my tender vines I spy A little fox named—By and By.

Then set upon him quick, I say, The swift young hunter—Right Away.

Around each tender vine I plant I find the little fox—I Can't.

Then, fast as ever hunter ran, Chase him with bold and brave—I Can.

No use in trying—legs and whites This fox among my tender vines.

Then drive him low and drive him high, With this good hunter, named—I'll Try.

Among the vines in my small lot Creeps in the young fox—I Forget.

Then hunt him out and to his pen, With—I Will Not Forget Again.

A little fox is hidden there Among my vines, named—I Don't Care.

Then let I'm Sorry—hunter, true— Chase him star from vines and you.

Yours truly, A. E. ROY, Carriage maker, St. Antone, P. Q.

It has strengthened and steadied my nerves, made me rest and sleep well, and in fact built up the system generally."

The languid, depressing feelings disappear when this great restorative is used, and with renewed energy and vigor disease is overcome, the organs of the body perform their various duties and new flesh and tissue are added, 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Burning, Itching, Stinging Piles

If people could only realize the virtue of Dr. Chase's Ointment they would not suffer long with piles.

Mr. W. H. Whitehall, a well-known and respected citizen of Cohung, Ont., states:—"Having used Dr. Chase's Ointment for piles, I can testify to its great value. The suffering which I endured from the burning, itching, stinging sensation of piles was something awful, and I can say that there is nothing in this world to equal Dr. Chase's Ointment as a cure for this dreadful disease. I tried a great many remedies and never got more than slight relief from any of them. But while Dr. Chase's Ointment brought quick relief I went further and made a thorough cure.
