The big "68" suspended over the door of Neilson's new quarters on Main st., Brockville, next door to Fit simmons' grocery, is a unique and novel way of telling the public who is "hanging out thar." For some time past it has been evident that Neilson's rapidly increasing business required larger to the concert. "The Enchanted Shirt, "his first number, was a surprise to those of the audience who had not learn him before. The applause which has been evident that Acison's Papilar increasing business required larger quarters, and he fortunately secured his present premises, and had just completed the removal of his stock at the time of our visit on Thursday at the time of our visit on Thursday at the time of our visit on Thursday. was a spontaneous demand for a release in framing, and his new shop has been fitted up with a large room in the rear devoted especially to this branch. An ingenious moulding rack runs around the room, on which is some sum, which will be applied on the read office, MONTREAL. displayed the different kinds of mouldngs. The saving of time by the new arrangement will be considerable.

Mr. Neilson has added a line of creekery to his business, and as his stock is just in, and all new designs, he can-not fail to satisfy the most fastidious taste.
